

## Curriculum Vitae

# Stephen A. Russo, Ph.D.

---

### Biographical

Work Address: Nova Southeastern University  
3301 College Avenue  
Room 1080, Maltz Building  
Fort Lauderdale, FL 33314-7796

Office Phone: (954) 262-5807  
Cell Phone: (843) 298-3227  
E-mail: [StepRuss@nsu.nova.edu](mailto:StepRuss@nsu.nova.edu)  
Website: [www.drsteverusso.com](http://www.drsteverusso.com)

### Education & Training

- 12/94–12/99      ***Doctoral Degree***  
Nova Southeastern University, Center for Psych. Studies: Ft. Lauderdale, FL  
Doctor of Philosophy; Degree Conferred on 12/31/99  
Major: Clinical Psychology (APA Approved Program)  
Cumulative GPA: 3.97
- 8/98–8/99      ***Pre-Doctoral Internship***  
VA Pittsburgh Healthcare System: Pittsburgh, PA  
Completion Date: 8/31/1999 (APA Approved Program)
- 8/93–12/94      ***Master's Degree***  
Nova Southeastern University, Center for Psych. Studies: Ft. Lauderdale, FL  
Master of Science; Degree Conferred on 12/31/94  
Major: Clinical Psychology (APA Approved Program)  
Cumulative GPA: 3.93
- 8/88–4/93      ***Bachelor's Degree***  
University of Pittsburgh: Pittsburgh, PA  
Bachelor of Science; Degree Conferred on 4/13/93  
Major/Minor: Psychology/Behavioral Neuroscience  
Cumulative GPA: 3.08

### Certification and Licensure

- 5/08–Present      Licensed, Clinical Psychologist for the State of Florida  
License Number: PY 7729; Status: Active
- 11/03–Present      Licensed, Clinical Psychologist for the State of South Carolina  
License Number: 000868; Status: Active
- 11/01–Present      Licensed, Clinical Psychologist for the Commonwealth of Pennsylvania  
License Number: PS015087; Status: Active

## Academic Appointments and Positions

- 8/07– **Nova Southeastern University; Center for Psychological Studies: Ft. Lauderdale, FL**  
Titles: **Assistant Professor; Director of Sport Psychology**  
**Faculty Athletics Representative (Appointed in July, 2010)**  
Courses: Development: Childhood and Adolescence; Assessment: Interviewing;  
Psychobiology; Health Psychology; Sport Psychology  
Responsibilities: Primary instructor for graduate-level psychology courses, with responsibility for all aspects of the course including grading, developing tests, and preparing lecture materials. Also charged with developing a clinical sport psychology program within the NSU Sports Medicine Clinic for the purposes of training doctoral students within CPS while also providing performance and clinical psychology services to the coaches, athletes, and teams within the NSU athletic department and the South Florida community.
- 1/02–8/03 **University of Pittsburgh; Department of Psychology: Pittsburgh, PA**  
Title: **Part-time, Associate Professor**  
Courses: Special Topics: Sport & Exercise Psychology  
Responsibilities: Primary instructor for the undergraduate psychology course and responsible for all aspects of the course including grading, developing tests, and preparing lecture materials.
- 8/00–12/00 **University of Pittsburgh; Department of Psychology: Pittsburgh, PA**  
Title: **Teaching Assistant**  
Course: Psychology of Personality  
Responsibilities: Grading student exams, developing quizzes, preparing lecture materials, and teaching one class.  
Supervisor: Bonka Boneva, Ph.D.
- 12/99–6/01 **UPMC, Center for Overcoming Problem Eating (COPE): Pittsburgh, PA**  
An interdisciplinary research unit for eating disorders within the UPMC Healthcare System located at Western Psychiatric Institute & Clinic (WPIC).  
Title: **Psychiatric Specialty Counselor I**  
Responsibilities: Interview clinical research subjects and conduct diagnostic chart reviews for several grant-funded eating disorder research projects.  
Supervisors: Kathy Plotnicov, Ph.D.; COPE Senior Research Principal  
Walter Kaye, MD; COPE Director of Research
- 8/98–8/99 **Veterans Administration Pittsburgh Healthcare System: Pittsburgh, PA**  
An APA approved, pre-doctoral internship at a consortium of two VA Medical Centers.  
Title: **Psychology Intern**  
Rotations: Women's Comprehensive Health Care  
Posttraumatic Stress Disorder Clinical Team  
Primary Care Program  
Sport Psychology Externship (University of Pittsburgh)  
Responsibilities: Coordinate clinical evaluations, interventions, and case management services for a variety of special populations within the Pittsburgh and VA communities.  
Supervisors: Patricia Hayes, Ph.D.; Women Veterans Coordinator  
Stephen T. Perconte, Ph.D.; Director, PTSD Clinical Team  
Richard C. Reardon, Ph.D.; PRIME Director  
Kevin Elko, Ed.D.; Director, The Bottom Line, Inc.  
Angela D. Keen, Ph.D. (Director of Clinical Training)

- 8/95–7/98 **Nova Southeastern University (NSU) Community Mental Health Center, Trauma Resolution and Integration Program: Ft. Lauderdale, FL**  
An NSU Community Mental Health Center specialty program.  
Titles: **Clinic Coordinator & Psychological Trainee**  
Responsibilities: Coordinate assessments, evaluations, interventions, and case management services for a special clinical population within the South Florida area. Additionally, was the clinical assistant to the TRIP director and was responsible for assigning cases and consultations; assuring the quality of patient care; reviewing clinicians' charts; and participating in the supervision of psychological trainees for a period of two years.  
Supervisor: Steven N. Gold, Ph.D.; TRIP Director
- 7/94–8/96 **NSU Community Clinic for Older Adults: Ft. Lauderdale, FL**  
A NSU Community Mental Health Center specialty program.  
Title: **Psychological Trainee**  
Responsibilities: Conducting clinical assessments, interviews, and diagnostic evaluations while coordinating individual, marital, and group psychological interventions with individuals aged 55 or above.  
Supervisor: Michel Hersen, Ph.D., ABPP; NCCOA Director
- 8/94–12/94 **NSU; Center for Psychological Studies: Ft. Lauderdale, FL**  
Title: **Teaching Assistant**  
Course: Assessment I: Intelligence Testing  
Responsibilities: Grading student exams, evaluating student reports, and examining assessment protocols for the Wechsler intelligence scales (WAIS-R & WISC-III). Also provided feedback on written reports and tutored students in writing more concise evaluations based on test findings and behavioral observations.  
Supervisor: Mark Middlebrooks, Ph.D.
- 2/93–8/93 **Broward General Medical Center – Trauma Services: Fort Lauderdale, FL**  
A hospital based unit serving physically traumatized children in the Ft. Lauderdale area.  
Title: **Psychological Trainee**  
Responsibilities: Interview clinical research subjects and conduct emotional, cognitive, and neuropsychological assessments for children and adolescents with head injuries.  
Supervisor: Wiley Mittenberg, Ph.D.

### **Non-Academic Appointments and Positions**

- 10/06–8/07 **MLCA Affiliates, LLC: Wayne, PA**  
An outpatient psychological service center serving the Suburban Philadelphia community.  
Title: **Director of Sport Psychology**  
Responsibilities: Provide performance enhancement and psychological services for individuals of all ages, levels, cultures, and countries of origin.
- 8/03–7/06 **International Junior Golf Academy (IJGA): Hilton Head Island, SC**  
A short-term & residential training facility for junior, high school, college, and professional golfers.  
Title: **Director of Sport Psychology**  
Responsibilities: Provide performance enhancement services in both individual and group formats for golfers of all ages, levels, cultures, and countries of origin. Also responsible for the coordination of training regimens for athletes and the technical coaches that served them in conjunction with the IJGA Director of Golf, Gary Gilchrist.

- 8/99–8/03 **University of Pittsburgh Medical Center (UPMC), Center for Sports Medicine: Pittsburgh, PA**  
A specialty unit of the UPMC Healthcare System serving the Pittsburgh community.  
Titles: **Director, Sport Psychology Program**  
**Performance Consultant, University of Pittsburgh Athletics**  
**Performance Consultant, Robert Morris University Athletics**  
Responsibilities: Provide performance enhancement as well as general counseling services to high school, college, and professional athletes in the Pittsburgh area while also supervising a clinical intern and spearheading the marketing and promotion of the UPMC specialty program.  
Supervisors: Mark Lovell, Ph.D.; Director, UPMC Sports Medicine Concussion Program  
Tony McGroarty, Psy.D.; Sport & Licensed Clinical Psychologist  
Kevin Elko, Ed.D.; Director, The Bottom Line, Inc.
- 12/96–7/98 **Outreach Broward, Inc.: Ft. Lauderdale, FL**  
An interdisciplinary residential and in-home treatment provider based in Broward County, Florida for dysfunctional adolescents and their families.  
Title: **In-Home Therapist**  
Responsibilities: Provide individual and family counseling services for recent graduates of the Outreach Broward residential program. Therapeutic interventions were typically conducted at the client's school and/or family residence.  
Supervisors: Sheri Knight, Psy.D.; Assistant Clinical Director  
Sheri Abercrombie, Psy.D.; Clinical Director
- 12/94–12/96 **Park Place Therapeutic Center: Plantation & Tamarac, FL**  
An outpatient physical rehabilitation center for individuals in Broward County, FL.  
Title: **Behavioral/Biofeedback Therapist**  
Responsibilities: Conduct diagnostic interviews and provide biofeedback-based intervention strategies for pain management and the other psychological sequelae of a variety of physical conditions.  
Supervisor: Gina M. Del Gardo, Ph.D.; Director of Interdisciplinary Programs

### **Membership in Professional and Scientific Societies**

- Since 2000 Association for Applied Sport Psychology  
Since 1995 American Psychological Association, Division 47 (Exercise and Sport Psychology)  
Since 1994 American Psychological Association, Professional Member

### **Grants & Honors**

- 2014 President's Faculty Research and Development Grant: A Novel Immune Fingerprint for mTBI Diagnosis and Recovery Prognosis. Funding Source: Nova Southeastern University; Duration of Funding: 12 months; Total Direct Costs: \$10,000
- 2010 Chancellor's Faculty Research and Development Grant: Exploring Biofeedback as an Assessment Tool in Sport-Related Concussion. Funding Source: Nova Southeastern University; Duration of Funding: 12 months; Total Direct Costs: \$10,000
- 1993 Undergraduate Term Paper Award: University of Pittsburgh, Department of Psychology

## **Publications & Professional Activities**

### Refereed Articles and Book Chapters

1. Russo, S.A., Greenberg, B., Wilson, J., Calderon, C. & Taylor, L. (In Preparation). Assessment of bias in neurocognitive test performance based upon collegiate student-athlete country and language or origin.
2. Greenberg, B., Merritt, P., Hoefling, K. & Russo, S.A. (In Preparation). Perception of velocity as determined by actual velocity, angle of observation, elasticity of collision, and presence of auditory stimuli.
3. Craig, A., Greenberg, B. & Russo, S.A. (In Preparation). A structural assessment of the Athletic Identity Measurement Scale (AIMS)
4. Leydig, S., Greenberg, B. & Russo, S.A. (In Preparation). Examining the relationship between athletic identity and sport motivation in collegiate athletes.
5. Kaleta, L., Greenberg, B., Marikle, S.Q., Russo, S.A. & Hoefling, K. (In Submission). Examining processing speed and reaction time differences among college athletes. Journal of Applied Sport Psychology.

Poster Presentations

1. Smith, E. & Russo, S.A. (2015, August). Between-Group Differences in King Devick Eye Movement Test Amongst Student-Athletes. Presented at the 123rd Annual Meeting for the American Psychological Association, Toronto, Ontario, Canada.
2. Imburgia, A., Loeser, J., Smith, E., Polster, D.R., Stephenson, M., & Russo, S.A. (2015, August). The Relationship between Body Satisfaction and Fear Avoidance Beliefs in Injured College Athletes. Presented at the 123rd Annual Meeting for the American Psychological Association, Toronto, Ontario, Canada.
3. vanderValk, J.L., Tworek, N.T., Smith, E., Russo, S.A., & Polster, D.R. (2015, August). Between-Group Differences in Athletic Burnout Amongst Collegiate Athletes. Presented at the 123rd Annual Meeting for the American Psychological Association, Toronto, Ontario, Canada.
4. Stephenson, M., Smith, E., Polster, D.R., Imburgia, A., Loeser, J., & Russo, S.A. (2015, August). The Relationship between Athletic Identity, Sport Motivation, and Body Composition in College Student-Athletes. Presented at the 123rd Annual Meeting for the American Psychological Association, Toronto, Ontario, Canada.
5. Kane, A., Smith, E., Polster, D.R., Hoefling, K., Levy, Y. & Russo, S.A., (2014, August). Influence of location of cerebral impact following sport-related concussion. To Be Presented at the 122nd Annual Meeting for the American Psychological Association: Washington, D.C.
6. Imburgia, A., Loeser, J., Polster, D.R., Smith, E. & Russo, S.A. (2014, August). The Relationship between body satisfaction and body composition in college student-athletes. To Be Presented at the 122nd Annual Meeting for the American Psychological Association: Washington, D.C.
7. Smith, E., Bissett, D., & Russo, S.A. (2014, August). Sensation seeking tendencies and injury patterns amongst motocross athletes. Presented at the 122nd Annual Meeting for the American Psychological Association: Washington, D.C.
8. Bissett, D., Smith, E. & Russo, S.A. (2014, August). Psychological attributes amongst motocross athletes: A pilot study. Presented at the 122nd Annual Meeting for the American Psychological Association: Washington, D.C.
9. Loeser, J., Imburgia, A., Polster, D.R., Smith, E. & Russo, S.A. (2014, August). Body composition, movement efficiency, and sport psychology constructs. Presented at the 122nd Annual Meeting for the American Psychological Association: Washington, D.C.
10. Polster, D.R., Kaleta, L., Savvides, C., Greenberg, B. & Russo, S.A., (2012, October). Reaction time and impulse control as predictors of batting average and walks in baseball and softball. Presented at the Annual Conference for the Association for Applied Sport Psychology: Atlanta, Georgia.
11. Richardi, T., Ketterer, J., Greenberg, B. & Russo, S.A. (2012, August). Emotionality as a predictor of psychophysiological responsiveness in Massively Multi-player Online Role-Playing Game (MMORPGs). Presented at the 120th Annual Meeting for the American Psychological Association: Orlando, Florida.
12. Leydig, S., Greenberg, B. & Russo, S.A. (2012, August). Examining the relationship between athletic identity and sport motivation in collegiate athletes. Presented at the 120th Annual Meeting for the American Psychological Association: Orlando, Florida.
13. Kaleta, L., Greenberg, B., Marikle, S.Q., Russo, S.A. & Hoefling, K. (2012, August). Examining processing speed and reaction time differences among college athletes. Presented at the 120th Annual Meeting for the American Psychological Association: Orlando, Florida.

14. Polster, D.R., Morris, B., Greenberg, B. & Russo, S.A. (2012, August). Analysis of the consistency of post-concussion symptoms over time. Presented at the 120th Annual Meeting for the American Psychological Association: Orlando, Florida.
15. Greenberg, B., Russo, S.A., Kusienski, A., Polster, D.R., Carbo, B.C., Ritchie, D., Marikle, S.Q. & Bergman, B. (2012, March). Exploring biofeedback as an assessment tool in sport-related concussion. Presented at the 43rd Annual Meeting for the Association of Applied Psychophysiology and Biofeedback Conference: Baltimore, Maryland.
16. Greenberg, B., Richardi, T., Ketterer, J., & Russo, S.A. (2012, March). Psychophysiological responsiveness in Massively Multi-player Online Role-Playing Game (MMORPGs). Presented at the 43rd Annual Meeting for the Association of Applied Psychophysiology and Biofeedback Conference: Baltimore, Maryland.
17. Ritchie, D., Marikle, S.Q., & Russo, S.A. (2011, September). Assessing consistency in clinical symptomatology self-reports within an athletic population. Presented at the Annual Conference for the Association for Applied Sport Psychology: Honolulu, Hawaii.
18. Cantrell, C., Taylor, L., Russo, S.A., Marikle, S.Q. & Ritchie, D. (2011, September). Developing norms the Athletic Identity Measurement Scale (AIMS). Presented at the Annual Conference for the Association for Applied Sport Psychology: Honolulu, Hawaii.
19. Marikle, S.Q., Ritchie, D., Powderly, J., & Russo, S.A. (2011, September). Athletic identification in college student-athletes as a function of gender and sport. Presented at the Annual Conference for the Association for Applied Sport Psychology: Honolulu, Hawaii.
20. Polster, D., Morris, B., Russo, S.A., Ritchie, D., Marikle, S.Q., & Kaleta, L. (2011, September). Task and ego-orientation in college student-athletes as a function of gender and sport. Presented at the Annual Conference for the Association for Applied Sport Psychology: Honolulu, Hawaii.
21. Hoefling, K., Kaleta, L., Russo, S.A., Leydig, S., Ritchie, D. & Marikle, S.Q. (2011, September). Athletic identity as a potential mediator for student-athletes' emotional response to injury. Presented at the Annual Conference for the Association for Applied Sport Psychology: Honolulu, Hawaii.
22. Ritchie, D., Russo, S.A., & Marikle, S.Q. (2011, August). Assessing symptoms in sport-related concussion: Are athletes consistently asymptomatic at baseline? Presented at the 119th Annual Meeting for the American Psychological Association: Washington, District of Columbia.
23. Polster, D.R., Russo, S.A., Ritchie, D., & Marikle, S.Q. (2011, August). The relationship between flow, concentration, and attention span: A quantitative study. Presented at the 119th Annual Meeting for the American Psychological Association: Washington, District of Columbia.
24. Kaleta, L., Ritchie, D., Leydig, S, Marikle, S.Q, & Russo, S.A. (2011, August). Examining differences in visual-spatial task performance: Sport participation and gender. Presented at the 119th Annual Meeting for the American Psychological Association: Washington, District of Columbia.
25. Ritchie, D., Marikle, S.Q, & Russo, S.A. (2011, February). How are student athletes really feeling? Utilizing the 21-item post-concussion scale on athletes with no reported concussion history. Presented at the 39th Annual Meeting of the International Neuropsychological Society: Boston, Massachusetts.
26. Goddard, H., Russo, S.A., Ritchie, D., Marikle, S.Q., Bergman, B. & DeLucia, C. (2011, February). Concussion history and knowledge base in competitive equestrian athletes. Presented at the 39th Annual Meeting for the International Neuropsychological Society: Boston, Massachusetts.

27. Ritchie, D., Marikle, S.Q., Scarisbrick, D., Russo, S.A., Craig, A., Polster, D.R., & Powderly, J. (2010, October). Examining differential symptom reporting patterns in a large university athletic department utilizing the 21-item post concussion scale. Presented at the Annual Conference for the Association for Applied Sport Psychology, Providence, Rhode Island.
28. Ritchie, D., Russo, S.A., Marikle, S.Q., Scarisbrick, D., Galindo, V., & Kaleta, L. (2010, August). Predicting neuro-cognitive performance from baseline symptom scores. Presented at the 118th Annual Meeting for the American Psychological Association, San Diego, California.
29. Marikle, S.Q., Ritchie, D., Scarisbrick, D., Galindo, V., & Russo, S.A. (2010, August). Examining sport participation and reaction time correlations. Presented at the 118th Annual Meeting for the American Psychological Association, San Diego, California.
30. Russo, S.A., Campbell, J., McDonagh, T., & Scarisbrick, D. (2010, August). The prevalence of flow experience in a university athletic department. Presented at the 118th Annual Meeting for the American Psychological Association, San Diego, California.
31. Russo, S.A., DuBois, C., Ritchie, D., Galindo, V., Marikle, S.Q., & Wharton, A. C. (2009, September). Baseline neuro-cognitive functioning in a university athletic department. Presented at the Annual Conference for the Association for Applied Sport Psychology, Salt Lake City, Utah.
32. Russo, S.A., Fields, C., & Bergman, B. (2009, August). Perceptions of disordered eating patterns among Division-I athletes. Presented at the 117th Annual Meeting for the American Psychological Association, Toronto, Ontario, Canada.
33. Kontos, A.P., Russo, S.A., & Collins, M. (2003, August). An introduction to sport concussion for the sport psychology consultant. Presented at the 111th Annual Meeting for the American Psychological Association, Toronto, Ontario, Canada.
34. Gold, S. N., Russo, S. A., Lucenko, B. A., & Vermont, P. (1998, November). Sexual Abuse Survivors' Family Environments: Intra- and Extra- Group Comparisons. Poster presentation at the 14th Annual Meeting for the International Society for Traumatic Stress Studies, Washington, DC.
35. Gold, S. N., Lucenko, B. A., Elhai, J. E., Swingle, J. M., & Russo, S. A. (1997, November). Relations between coercive strategies and symptomatology among sexual abuse survivors. Poster presentation at the 13th Annual Meeting for the International Society for Traumatic Stress Studies, Montreal, Quebec, Canada.
36. Roberts, J. E., Kassel, J. E., & Russo, S. A. (1994, May). Negative cognition, negative affect, and history of depression. Poster presentation at the Midwestern Psychological Association Annual Meeting, Chicago, Illinois.
37. Kassel, J. E., Roberts, J. E., & Russo, S. A. (1994, April). Self-awareness, life stress, and substance use among college students. Poster presentation at the Society of Behavioral Medicine Annual Meeting, Boston, Massachusetts.

#### Symposia & Workshops

1. Russo, S. A., (August, 2015). Concussion Prevention and Awareness for Youth Sports Coaches. Presented at the Coaches Safety In-Service Education Program Sponsored by Broward Health: Fort Lauderdale, Florida.
2. Russo, S. A., (August, 2013). Concussion Management and the Broward County Athletic Association. Presented at the Athletic Director's Meeting of the Broward County Athletic Association: Pompano Beach, Florida.

3. Russo, S. A., (August, 2013). Sideline Concussion Evaluation: BESS Testing and Beyond. Presented as part of the Broward Health Sports Medicine In-Service Meeting & NSU Athletic Training Education Program Clinical Instructor Workshop: Fort Lauderdale, Florida.
4. Russo, S. A., (August, 2012). Concussion Management and the Broward County Athletic Association. Presented at the Athletic Director's Meeting of the Broward County Athletic Association: Sunrise, Florida.
5. Russo, S. A., (August, 2012). Management Guidelines for Concussion in South Florida. Presented as part of the Broward Health Sports Medicine In-Service Meeting & NSU Athletic Training Education Program Clinical Instructor Workshop: Fort Lauderdale, Florida.
