

CHARGE! STRIVING FORWARD TO COMBAT ADVERSITY WITH RESILIENCY

***Presenters: Daniella Maglione, M.S., Ed.S.
Chris Huzinec, M.S.***

**Friday, February 5, 2021 ♦ 10:00 a.m. – 12:00 p.m.
ZOOM Webinar**

Given the toll of adverse experiences on children, it is important to recognize the importance of providing strategies to support resiliency to enhance their emotional well-being. Resiliency facilitates the development of a healthy, adaptable outlook in the face of adversity and it enables students to emerge from challenges with a positive outlook. This presentation examines social-emotional learning (SEL) skills which contribute to resiliency and provides strategies to assess, monitor, and facilitate their development.

Level of Curriculum Content: Intermediate

Zoom at a Glance

Zoom is a web-based video conferencing tool with a local, desktop client and a mobile app that allows users to meet online, with or without video, whether you are connecting multiple conference rooms or meeting with attendees from their personal desktops or mobile devices. For more information or to download Zoom, please visit <https://zoom.us/>.

ABOUT THE PRESENTERS

Daniella Maglione, Ed.S, M.S. is a Florida licensed and certified school psychologist who resides in Valrico, Florida. She earned her M.S. in Counseling and Human Services and Ed.S. in school psychology from Florida State University. Daniella is fluent and proficient in English and Spanish, and was employed as a bilingual school psychologist for Hillsborough County Schools for 17 years, six of those years as the Bilingual Team Leader. She has previously presented at the National Association of School Psychologist (NASP), Florida Association of School Psychologist (FASP), Georgia Association of School Psychologist (GASP), Florida Psychological Association (FPA), National Latino Psychological Association (NLPA) Conferences on English language learner (ELL), dyslexia, autism, and gifted issues. In April 2014, Daniella was hired as an assessment consultant for Pearson. Currently, she is employed as a solution analyst that specializes in national licensing models for Pearson. She is a member of FASP and NASP, and was nominated for the FASP 2014 Florida School Psychologist of the Year for her work with gifted and ELL students.

Chris Huzinec, M.S. is an educational researcher, evaluator, and consultant with over 25 years of practical experience in public education. He is currently a senior educational consultant for the Pearson Clinical Assessment group. Previously, he was employed by the Houston ISD Department of Research and Accountability for 15 years as the manager of the Program Evaluation and Performance Analysis Bureaus. He has produced publications and presented in the areas of early childhood education, student behavior, social-emotional learning (SEL), attention deficit hyperactivity disorder (ADHD), and special education.

PROGRAM OBJECTIVES

Participants will be able to:

- Describe student resilience by examining factors that foster resilience and their relationship with SEL
- Discuss the social skills that enable the development of resilience characteristics among students
- Apply assessment strategies for measuring children's SEL skills and implement these strategies in a multi-tiered support model for students
- List intervention strategies for teaching resilience, monitoring progress, and documenting its effectiveness

PROGRAM AGENDA

10:00 a.m. – 10:30 a.m.	Resilience and factors that foster resilience
10:30 a.m. – 11:00 a.m.	Social skills and resilience development
11:00 a.m. – 11:30 a.m.	Assessment strategies for SEL skills
