

PROFESSIONAL ETHICS FOR THE LICENSED PSYCHOLOGIST

Presenter: David Shapiro, PhD., ABPP

**Friday, March 15, 2024 ♦ 9:00 a.m. – 12:00 p.m.
Zoom Webinar**

This three-hour webinar is designed to meet the biennial licensure renewal requirements for licensed psychologists. Participants will meet Florida's mandate for continuing education in the areas of professional ethics and Florida statutes and rules (3 hours). The most recent revision of the Code of Ethics of the American Psychological Association changed in many notable ways. Many of the ambiguous terms in the previous Code were clarified, but a host of new problems arose due to some new concepts as well as new federal laws (e.g., HIPAA). This workshop will highlight some of the changes, as well as analyze how to deal with troublesome areas created by new laws. Related Florida Statutes and Rules will be addressed.

Level of Curriculum Content: Intermediate

Zoom at a Glance

Zoom is a web-based video conferencing tool with a local, desktop client and a mobile app that allows users to meet online, with or without video, whether you are connecting multiple conference rooms or meeting with attendees from their personal desktops or mobile devices. For more information or to download Zoom, please visit <https://zoom.us/>.

ABOUT THE PRESENTER

David Shapiro, Ph.D., ABPP is a professor of psychology at Nova Southeastern University, where he teaches courses in introductory and advanced ethics, forensic assessment, criminal law, and projective techniques. He has served on the APA Ethics Committee, chaired the Ethics Committees of the Maryland Psychological Association and the American Board of Professional Psychology, and is currently ethics chair for the Broward County Psychological Association.

PROGRAM OBJECTIVES

Participants will be able to:

- Summarize significant changes in the APA Code of Ethics
- Explain recent developments in Florida laws regarding the practice of psychology
- Demonstrate how to reconcile potentially difficult ethical dilemmas
