

RISK MANAGEMENT IN PSYCHOLOGICAL PRACTICE

Presenter: David Shapiro, Ph.D., ABPP

**Friday, February 2, 2024 ♦ 9:00am – 12:00pm (EDT)
Zoom Webinar**

This workshop will review the major concepts underlying malpractice litigation as well as the most frequent areas of malpractice litigation, with case examples. Moreover, the focus will include concrete ways to guard against a successful malpractice action. Anyone can be sued, but successful lawsuits are very rare if the practitioner follows some basic principles of risk management which will be outlined in this presentation.

Level of Curriculum Content: Intermediate

Zoom at a Glance

Zoom is a web-based video conferencing tool with a local, desktop client and a mobile app that allows users to meet online, with or without video, whether you are connecting multiple conference rooms or meeting with attendees from their personal desktops or mobile devices. For more information or to download Zoom, please visit <https://zoom.us/>.

ABOUT THE PRESENTER

David Shapiro, Ph.D., ABPP is a Professor Emeritus at Nova Southeastern University. He has been involved in forensic psychology for over fifty years, and has taught, supervised, and trained in many areas of forensic psychology. He has taught courses in ethics, malpractice, professional liability, and risk management at several universities for several years. He has also presented many such courses as continuing education offerings at a variety of state and national psychology meetings and was a risk management consultant at the American Insurance Trust. He is the author of many books and articles dealing with risk management and professional liability.

PROGRAM OBJECTIVES

Participants will be able to:

- Explain the nature of malpractice claims
- Describe the most frequent causes of malpractice claims
- List and apply strategies to protect against successful malpractice claims.
