

EMDR BASIC TRAINING IN FT. LAUDERDALE, FL

CONNECT
TRAINING + CONSULTING

Hosted by **NOVA SOUTHEASTERN UNIVERSITY**

Part 1: MARCH 6-8 | Part 2: APRIL 17-19

Evidence-Based, EMDRIA-Approved & Accredited EMDR Training

Whether you are a student intern or a seasoned professional, the Connect team can take you from learning the basics of EMDR Therapy to EMDR Certification and mastery of advanced clinical skills. We provide a full range of accredited in-person, virtual, and on-demand training and consultations.

Connect's EMDRIA-Approved Full Training Package includes all *lecture, practicum* and *consultation* required by the EMDR International Association (EMDRIA) to complete Basic Training and prepare for Certification.

- 20 hours lecture
- 20 hours small group practicum
- 10 hours consultation
- 40 CEs available
- Printed 300+ page manual
- Online course with bonus videos, resources, and materials
- Downloadable/printable pdfs of forms, handouts and scripts for use with your clients
- Scripts en Español
- Online private Discussion Forum

Why Should I add EMDR Therapy to My Practice?

EMDR Therapy is an evidence-based treatment that has helped millions of children, teens, and adults reduce suffering and restore hope. More than 30 positive controlled research studies support the benefits of EMDR for depression, anxiety disorders, PTSD, and more.

Who is Eligible to take EMDR Basic Training?

- Graduate Students in final Internship with active caseload
- Registered Interns (pre-licensed but on a licensure track)
- Mental Health Counselors
- Marriage and Family Therapists
- Social Workers
- Psychologists
- Psychiatrists
- Psychiatric ARNPs

"This training was monumental for my practice as a therapist. I finally feel like a have a tool that will literally change my client's lives." – Arianne S.
