

# Curriculum Vitae

## Mercedes Fernández

Nova Southeastern University  
College of Psychology  
Davie, Florida 33314  
954 262-7804  
*mercedes.fernandez@nova.edu*

<b>Education</b>	Ph. D.	<b>The University of Arizona</b> _____ Tucson, AZ May 1998, Department of Psychology. Advisor Gary E. Schwartz. Dissertation titled <i>EEG Measures of Subjects with Idiopathic Chemical Sensitivity: A Test of the Sensitization Model.</i>
	M. A.	<b>Florida Atlantic University</b> _____ Boca Raton, FL April 1995, Department of Psychology. Advisor Allan J. Nash. Thesis titled <i>The Effects of Standard and Deviant Tones on Event-Related Brain Potentials and Reaction-Times to Visual Stimuli.</i>
	B. A.	<b>Florida International University</b> _____ Miami, FL April 1990, Department of Psychology. Advisor Lorraine E. Bahrick. Honors thesis titled <i>Arbitrary Pairings of Objects and Odors in Four-Month-Old Infants.</i>
	B. A.	<b>Florida International University</b> _____ Miami, FL April 1987, Major in English.
<b>Professional License</b>		Licensed Clinical Psychologist, State of Florida No. PY6180.
<b>Languages</b>		Fluent in English and Spanish.
<b>Faculty Positions</b>	10/2017–present	<b>Nova Southeastern University</b> _____ Davie, FL Professor of Psychology.
	8/2013–7/2016	<b>Nova Southeastern University</b> _____ Davie, FL Experimental Psychology Graduate Program Chair.
	8/2009–10/2017	<b>Nova Southeastern University</b> _____ Davie, FL Associate Professor of Psychology.
	2/2009–4/2009	<b>Carlos Albizu University</b> _____ Miami, FL Associate Professor of Psychology, Neuropsychology Program Coordinator.
	2003–2009	<b>Carlos Albizu University</b> _____ Miami, FL Assistant Professor of Psychology, Neuropsychology Program Coordinator.

<b>Clinical Positions</b>	2000–present	<b>Self-Employed</b> _____ Miami, FL Neuropsychologist.
	2003–2009	<b>Carlos Albizu University</b> _____ Miami, FL Clinical Supervisor.
	Apr.–Dec. 2001	<b>Neurological Consultants, Sunrise Medical Group</b> – Hollywood, FL Neuropsychologist.
	2000–2001	<b>Centers for Psychological Growth</b> _____ Miami, FL Neuropsychologist.
<b>Postdoctoral Fellowship</b>	1998–1999	<b>Veterans Affairs Medical Center</b> _____ Tucson, AZ Postdoctoral Fellow.
<b>Grants</b>		<ul style="list-style-type: none"> <li>• HSI Conference: Hispanic-focused STEM Ideas for Inspiration and Innovation. National Science Foundation (1748199) (\$98,792). (Awarded 8/2017, Co-PI).</li> <li>• Does Learning a Second Language Enhance Inhibitory Processes and Executive Function? National Science Foundation (1632377) (\$167,298). (Awarded 9/2016, PI).</li> <li>• Minority Science and Engineering Improvement Program. Science Peer and Research Collaborative (SPARC). Department of Education (P120A1400120) (\$279,596). (Awarded 10/2014, Co-I).</li> <li>• Neurophysiological Changes during Narrative Therapy Conversation. President's Faculty Research &amp; Development Grant (\$10,000). (Awarded 5/2013, Co-I).</li> <li>• Auditory and Visual Inhibitory Control Differences in Bilinguals and Monolinguals. Dean's Mini Grant (\$1,500) (Awarded 1/2013, PI).</li> <li>• Neural and Cognitive Inhibition in Bilinguals. Chancellor's Faculty Research &amp; Development Grant (\$9,991.32). (Awarded 5/2010, PI).</li> <li>• Bilingualism and Neural Inhibition. Dean's Mini Grant (\$1,491.50) (Awarded 4/2010, PI).</li> <li>• Received grant of electrophysiology equipment from Lexicor Corp (2006).</li> <li>• The University of Arizona Minority Graduate Student Research Award (1996).</li> <li>• Graduate Fellowship from the National Institutes on Deafness and Other Communication Disorders (1995).</li> </ul>
<b>Service</b>		<ul style="list-style-type: none"> <li>• Panel &amp; Ad-hoc reviewer, National Science Foundation (2018, 2019).</li> </ul>
<b>Honors</b>		<ul style="list-style-type: none"> <li>• Faculty of the Year Award (2008).</li> <li>• Member Psi Chi, The Psychology National Honor Society (1988–90).</li> </ul>
<b>Professional Memberships</b>		<ul style="list-style-type: none"> <li>• International Neuropsychological Society</li> <li>• National Academy of Neuropsychology</li> </ul>

### Invited Talks

“Bilingualism and the Brain.” Miami Dade College, Miami, FL, November 2013.

### Invited Papers

Friedman, M., Fernandez, M., Backer, L., Dickey, R., DeGrasse, S....Fleming, L. (2017). Updated review of Ciguatera Fish Poisoning. *Marine Drugs*, 15. doi: 10.3390/MD15030072

### Publications

Hill, L., Starrat, V.G., Fernandez, M. & Tartar, J.L. (2019) Positive affective priming decreases the midlate positive potential response to negative images. *Brain & Behavior*, 9. doi:10.1002/brb3.1198

Chayo, I., Fernandez, M., Sandoor, S. & Tartar, J.L.(2017) Neurophysiological processing of an emotional task is sensitive to time of day. *Journal of Circadian Rhythms*, 15. doi:10.5334/jcr.148

Young, K., Hibel, J., Fernandez, M., & Tartar, J. (2017). Single session therapy and neuroscience: Scaffolding and social engagement. In Beaudoin, M. and Duvall, J. (Ed). *Collaborative Therapy and Neurobiology*. New York: Routledge.

Alomari, R.A., Fernandez, M., Banks, J.B., Acosta, J. & Tartar, J.L.(2015). Acute stress dysregulates the LPP ERP response to emotional pictures and impairs sustained attention: Time-sensitive effects. *Brain Sciences*, 5(2), 201-219. doi: 10.3390/brainsci50202001

Misdraji-Hammond, E., Lim, N.K., Fernandez, M. & Burke, M.E. (2015). Object familiarity and acculturation do not explain performance differences between Spanish-English bilinguals and English monolinguals on the Boston Naming Test. *Archives of Clinical Neuropsychology*, 30 doi: 10.1093/arclin/acu065

Fernandez, M., Acosta, J., Douglass, K., Doshi, N. & Tartar, J.L. (2014). Speaking two languages enhances an auditory but not a visual neural marker of cognitive inhibition. *AIMS Neuroscience*, 1(2), 145-157. doi: 10.3934/Neuroscience.2014.2.145

Fernandez, M., Tartar, J.L., Padron, D. & Acosta, J.(2013). Neurophysiological marker of inhibition distinguishes language groups on a non-linguistic executive function test. *Brain & Cognition*. 10.1016/j.bandc.2013.09.010

Vega, C. & Fernandez, M.(2010). Errors on the WCST correlate with language proficiency in Spanish/English bilingual children. *Archives of Clinical Neuropsychology*, 26,(2), 158-164. doi:10.1093/arclin/acq097

Friedman, M.A., Fernandez, M., Wefel, J.S., Myszka, K.A., Champlin, R.E., & Meyers, C.A. (2009). Course of cognitive decline in hematopoietic stem cell transplantation: A within-subjects design. *Archives of Clinical Neuropsychology*, 24 (7),689-698. doi:10.1093/arclin/acp060

Friedman, M. A. & Fernandez, M. (2008). Hematological malignancies. In C.A. Meyers: *Cognition & Cancer*. New York: Cambridge University Press.

Friedman, M. A., Fleming, L., Fernandez M., Bienfang, P., Schrank, K., Dickey, R., Bottein, M., Backer, L., Ayyar, R., Weisman, R., Watkins, S., Granade, R. & Reich A. (2008). Ciguatera Fish Poisoning: Treatment, prevention and management. *Marine Drugs*, 6, 456-479.

Friedman, M. A., Arena, P., Levin, B., Fleming, L., Fernandez, M., Weisman, R., Bernstein, J., Schrank, K., Blythe, D., Backer, L. & Reich, A. (2007). Neuropsychological study of Ciguatera Fish Poisoning: A longitudinal case-control study. *Archives of Clinical Neuropsychology*, 22, 545-553.

Bell, I. R., Brooks, A. J., Baldwin, C. M., Fernandez, M., Figueiredo, A. J. & Witten, M. L. (2005). JP-8 jet fuel exposure and divided attention test performance in 1991 gulf war veterans. *Aviation, Space, and Environmental Medicine*, 76, 1136–1144.

Fernandez, M., Hernandez-Reif, M., Field, T., Diego, M., Sanders, C., & Roca, A. (2004). EEG during lavender and rosemary exposure in infants of depressed and non-depressed mothers. *Infant Behavior and Development*, 27, 91–100.

- Fernandez, M., Blass, E. M., Hernandez-Reif, M., Field, T., Diego, M., & Sanders, C. (2003). Sucrose attenuates a negative electroencephalographic response to an aversive stimulus for newborns. *Developmental and Behavioral Pediatrics*, 24, 1–6.
- Sanders, C., Diego, M., Fernandez, M., Field, T., Hernandez-Reif, M., & Roca, A. (2002). EEG asymmetry responses to lavender and rosemary odorants in adults and infants. *International Journal of Neuroscience*, 112, 1305–1320.
- Baldwin, C. M., Bell, I. R., Fernandez, M. & Schwartz, G. E. R. (2000). Multiple Chemical Sensitivity. In: *Women and Health*, ed. M. B. Goldman & M. C. Hatch. New York: Academic Press.
