Dear Dr. Tara Jungersen,

As we near the end of our fiscal year, I would like to take the opportunity to recognize the countless contributions volunteer leaders, like yourself, have made to the ACA Sexual Violence Practice Support Task Force from 7/1/2019-6/30/2020.

On behalf of all of us at the American Counseling Association, thank you for the generous gift of your time, talent, and expertise. Your participation ensured, in part, that professional counselors get the support they need.

The work you did has greatly strengthened ACA's ability to achieve a number of our strategic goals and campaigns throughout all of our committees and taskforces. Without contributions like yours, ACA and the counseling profession would not be able to continue to grow and ensure ethical, culturally-inclusive practices that protect those using counseling services.

During this unprecedented time, your individual and collective efforts are deeply appreciated.

I wish you continued success and look forward to future opportunities to work together on behalf of the profession.

Regards,

Heather Trepal, Ph.D.
