

CURRICULUM VITA

Jeffrey L. Kibler, Ph.D.

Contact Information College of Psychology, 3301 College Avenue, Ft. Lauderdale, FL 33314
Phone: 954-262-5879; email: kibler@nova.edu

EDUCATION

Postdoctoral Fellowship University of Mississippi Medical Center/VA Medical Center, 2001
Clinical Internship University of Mississippi Medical Center/VA Medical Center (APA Accredited), 1999
Ph.D. Clinical Psychology (Health emphasis), University of Miami (APA Accredited), 1999
M.S. Clinical Psychology (Health emphasis), University of Miami, 1997
B.A. High Honors in Psychology, State University of New York at Buffalo, 1994

SELECTED RESEARCH GRANTS AND HONORS/AWARDS

2019-2022 College of Psychology Faculty Research Fellowship - Provides faculty support in the form of course load reduction and \$3,000 per year to support a pilot study of a Health Intervention for Adults with PTSD

2019 NSU President's Distinguished Professor of the Year- University-wide award of excellence in scholarly productivity, teaching, and service to the University.

2019 Nova Southeastern University College of Psychology *Professor of the Year* - Award of excellence in scholarly productivity, teaching, and service to the College.

Principal Investigator: NIH/NHLBI Research Grant #1R15HL085121-01A2 8/17/08 - 7/31/12 (\$189,905)
Title: Cardiovascular risk in relation to posttraumatic stress disorder in young women

Co-Investigator: Nova Southeastern Univ. President's Faculty Research Award 6/1/08-6/30/10 (\$10,000)
Title: Physiological outcomes in the treatment of trauma-related disorders

Principal Investigator: Center for Disease Control and Prevention Grant. 9/30/03 - 9/29/06 (\$914,033)
Title: Acceptance of HIV prevention trials by African Americans

Principal Investigator: NIH/NIGMS Faculty Development Pilot Project. 1/1/03-6/31/04 (\$104,600)
Title: Cardiovascular risk and responses to stress in young African American men and women with PTSD

Principal Investigator: APA ProDIGs Small Grants Program. 6/1/03-12/31/04 (\$6,900)
Title: Alcohol use, posttraumatic stress, and risky sexual behaviors

TEACHING EXPERIENCE

NOVA SOUTHEASTERN UNIVERSITY, President's Distinguished Professor (2019-present);
Professor (2010-present); Director, Biofeedback and Health Psychology Center (2006-present);
Associate Professor (2005-2010); Assistant Professor (2004-2005)

Doctoral Courses: Research Design, Cognitive and Affective Bases of Behavior, Social Bases of Behavior,
Conceptual Foundations

Masters Courses: Research Design, Human Growth and Development

Undergraduate Courses: Stress Management; Introduction to Quantitative Psychology

Ongoing research training of graduate and undergraduate students

JACKSON STATE UNIVERSITY, Assistant Professor (2001-2003)

Doctoral Courses: Psychotherapy, Intro. to Psych. Assessment, Research Methods, Adv. Developmental Psych.
Research training of graduate/undergraduate students; Academic advisement (25 Ugr. students per semester)

UNIVERSITY OF MISSISSIPPI MEDICAL CENTER, Clinical Asst. Professor (2001-2004); Fellow (1999–2001)

Workshops for psychology interns: Advanced Psychophysiology (1999-2003); Research Methodology (1999)
Research training of graduate and undergraduate students, psychology interns, and fellows (1999-2003)

UNIVERSITY OF MIAMI, Instructor (1996); Undergraduate Course: Introduction to Biobehavioral Statistics

RESEARCH INTERESTS

Posttraumatic stress disorder; Trauma and related sequelae among refugees; Behavioral/psychological markers (e.g., stress and cognitive appraisal, health risk behaviors; PTSD and depression) for physical conditions (e.g., heart disease); Health risks and perceptions of scientific research in ethnic minority populations; Psychophysiology

RESEARCH EXPERIENCE/SELECTED ONGOING PROJECTS

NOVA SOUTHEASTERN UNIVERSITY (2004-present)

- Health Consequences of Posttraumatic Stress Disorder
- Cognitive, Emotional, and Behavioral Markers for Heart Disease
- Barriers and Facilitators in the Willingness of Minority Groups to Participate in Research

JACKSON STATE UNIVERSITY (2000-2003)

- Health Risks Associated with Posttraumatic Stress among Young African American Adults
- Psychosocial Correlates of Heart Disease in the Jackson Heart Study
- Barriers to Volunteering for Biobehavioral Research Participation among African-Americans

UNIVERSITY OF MISSISSIPPI MEDICAL CENTER (1998-2003)

- Psychophysiological Reactivity and Recovery in Relation to PTSD among Combat Veterans
- Brief Cognition- and Emotion-Focused Group Stress Management Treatment for Symptoms of Posttraumatic Stress Disorder and Depression
- Development of a Stress Management Program for Spouses/Families of Veterans Recovering from Posttraumatic Stress Disorder

BEHAVIORAL MEDICINE RESEARCH CENTER, UNIVERSITY OF MIAMI (1994 – 1999)

- Research Assistant: Four NHLBI-funded projects examining biobehavioral markers of cardiovascular and immune pathophysiology (Barry Hurwitz and Neil Schneiderman)

STATE UNIVERSITY OF NEW YORK AT BUFFALO (1992-1994)

- Research Assistant: Social Psychophysiology Laboratory (James Blascovich)

CLINICAL EXPERIENCES

Director, Biofeedback and Health Psychology Center, Nova Southeastern University (2006-present)

Clinical Supervisor, Nova Southeastern University Doctoral Programs (2004-present)

Fellowship rotation, Trauma Recovery Program, VA Medical Center Jackson, MS (1999-2001)

Fellowship rotation, Psychophysiological Disorders/Headache, Univ. of Mississippi Med. Ctr. (1999-2001)

Internship rotation (6 mos.), Trauma Recovery Program, VA Medical Center Jackson, MS (1998-1999)

Internship rotation, Psychophysiological Disorders/Headache, Univ. of Mississippi Med. Ctr. (1999)

Internship rotation, Cardiac Rehabilitation/Smoking Cessation, VA Med. Ctr. Jackson, MS (1999)

Practicum, Cardiac Rehabilitation /Sleep Disorders, Miami VA Medical Center (1997)

Practicum, Adolescent Medicine, Mailman Ctr. for Child Development, Univ. of Miami (1996-97)

Practicum, Outpatient Community Mental Health, Univ. of Miami (1995-96)

PROFESSIONAL AFFILIATIONS

American Psychological Association; Society of Behavioral Medicine

SERVICE**NOVA SOUTHEASTERN UNIVERSITY, COLLEGE OF PSYCHOLOGY SERVICE**

Member of Appeals Committee (2004-present)
 Member of Departmental Research Committee (2005-present)
 Member of Departmental Capstone Committee (2018 – 2020)
 Chair of Departmental Dissertation Guidelines Committee (2016-2018)
 Chair of President's Distinguished Professor Nominations Committee (2012-2014)
 Member of Faculty Review Committee (2011-2012)
 Member of Faculty Search Committee – Social Psychology (2012-2013)
 Co-Chair, Departmental Research Committee (2005-2009)
 Member of Curriculum Revision, Research and Foundations Taskforce (2006)

NSU UNIVERSITY SERVICE

Member, Internal Review Committee (non-departmental member) – College of Pharmacy Pharm.D. program (2019-2020)
 Member of University Research Board (2013-2019)
 Member of Faculty Advisory Council (2011-present)
 Faculty Peer-Reviewer – University-wide ASLO Program Review (2011- present)
 Panelist for NSU R01 Bootcamp Program for faculty planning write NIH grant application (2017, 2018)
 Member of Advisory Committee for NSU President's Faculty Research and Dev. Grant Program (2012-2016)
 Grant Reviewer for annual NSU President's Faculty Research and Development Grant Program (2006-2008, 2010, 2012-2013, 2019-2020)
 Grant Review Panel Chair for NSU President's Faculty Research and Development Grant Program (2011)
 Member of Parents' Search Committee for NSU University School Upper School Director (2016)
 Member of NSU Institutional Review Board (2005-2008)
 Member of NSU Academic Review Committee (2007-2010)
 Member, Internal Review Committees – Clinical Psychology PsyD and PhD Programs (2007-2008); CDM DMD Program (2008)

COMMUNITY/PROFESSIONAL SERVICE**Scientific/Grant Review Services:**

Member of NIH/NHLBI workshop to develop novel research recommendations in the area of cardiovascular disease and PTSD by evaluating the latest evidence in increased risk of cardiovascular disease development and progression in patients with PTSD and mechanisms of this risk (Nov 2018).

Grant Reviewer: NIH Special Emphasis Panel 10ZRG1 BBBP-J (03)M; Stress/Psychopathology (2017)

Grant Reviewer: Italian Ministry of Health, Department of Research, Italian Competition for Targeted Research Funding (2011- 2017)

Chair of NIH review panel: Special emphasis scientific review group meeting - Stress and Psychopathology (2016)

Grant reviewer: NIH review panel: MESH (Biobehav. Mechanisms of Emotion, Stress and Health) (2014)

Grant Reviewer: NIH Special Emphasis Panel - Human Disorder Epidemiology (2014)

Grant Reviewer: VA Merit Review Panel – Epidemiology (2012, 2013)

Grant Reviewer: NIH review panel: Mentored Patient Oriented Research Career Development Awards (2010)

Grant reviewer: NIH review panel: MESH (Biobehav. Mechanisms of Emotion, Stress and Health) (2009)

Grant reviewer: Department of Defense Congressionally Directed Medical Research Programs (CDMRP), Post Traumatic Stress Disorder and Traumatic Brain Injury Research Program (2007, 2008, 2009).

Grant reviewer: Department of Defense Medical Research and Development Program (DMRDP), 2009 Psychological Health Panel

Reviewer for NSU Faculty Research and Development Grant Program (2006-2008, 2010-2011)
 Chair of review panel for NSU Faculty Research and Development Grant Program (2011)

Co-chair of Psychological and Persons Factors in Health and Behavior Change abstract submission track
 for Annual Scientific Meeting of the Society of Behavioral Medicine (2008 and 2009 meetings)

Member of Editorial Board: *International Journal of Psychology and Neuroscience* (2016 - present)
World Journal of Cardiology (2016 - 2018)

Ad Hoc Reviewer for 7 journals (past 5 years): Aggression and Violent Behavior; Health Psychology; International Journal of Behavioral Medicine; International Journal of Psychophysiology; Journal of Affective Disorders; Journal of the American College of Cardiology; Journal of Psychosomatic Research

Abstract reviewer for 2003 Southeastern Psychological Association undergraduate program
 Abstract reviewer for 2006 Annual Scientific Meeting of the Society of Behavioral Medicine, Biological Mechanisms in Health and Behavior Change track
 Abstract reviewer for 2007 Annual Scientific Meeting of the Society of Behavioral Medicine, Biological Mechanisms in Health and Behavior Change track

Other contributions to scientific community:

Member, Society of Behavioral Medicine Education, Training, and Career Development Council (2004-2009)
 Chair of Review Committee for 2006 Society of Behavioral Medicine Distinguished Student Awards
 Chair of 2006 Society of Behavioral Medicine Meritorious Student Research Poster Session
 Co-Chair of 2007 Society of Behavioral Medicine Poster Session B
 Reviewer for Society of Behavioral Medicine Outstanding Dissertation Award (2005, 2006, 2007, 2009)
 Reviewer for 2005 Society of Behavioral Medicine Distinguished Student Awards (2005, 2006)

Kibler, J.L., Hurwitz, B.E., Marks, J.B., Kuskin, K.L., Gonzalez, M.A., Hatfield, J.R., Skyler, J.S., & Schneiderman, N. (1998). Baroreceptor sensitivity, pain perception of cold pressor stress, and blood pressure in type 1 diabetes mellitus. *Psychophysiology*, *35(Suppl.)*, S46.

Kibler, J.L., Kuskin, K.L., Marks, J.B., Cazzaniga, A., Skyler, J.S., Schneiderman, S., & Hurwitz, B.E. (1998). Pain and cardiovascular reactivity to cold pressor stress in insulin dependent diabetes mellitus. *Annals of Behavioral Medicine*, *20(Suppl.)*, S087.

Goldstein, R., Llabre, M.M., Donahue, R.P., Milanovich, J.R., **Kibler, J.L.**, Motivala, S.J., Vallenilla, C.T., Stern, N., Prineas, R.J., Schneiderman, N., & Hurwitz, B.E. (1998). Cross-validation of a model of autonomic and cardiovascular function in men and women. *Annals of Behavioral Medicine*, *20(Suppl.)*, S086.

Kibler, J.L., Hurwitz, B.E., Schneiderman, N., Lakhani, M.N., Peckerman, A., Keels, D., Reddy, S.P., Agatston, A.S., & Nagel, J.H. (1997). Hypertensive status does not affect validity of impedance cardiography derived systolic time intervals. *Annals of Behavioral Medicine*, *19(Suppl.)*, S156.

Vallenilla, C.T., Hurwitz, B.E., Bilsker, M.S., Nagel, J.H., **Kibler, J.L.**, Motivala, S.J., Gellman, M.D., & Schneiderman, N. (1997). Stroke volume validation of impedance cardiography compared with pulsed-doppler echocardiography in healthy men and women. *Annals of Behavioral Medicine*, *19(Suppl.)*, S156.

Kibler, J.L., Hurwitz, B.E., Reddy, S.P., Nagel, J.H., Peckerman, A., Agatston, A.S., Keels, D., & Schneiderman, N. (1996). Impedance cardiography yields valid systolic time interval measures at rest and during stressful challenge. *Annals of Behavioral Medicine (4th Int. Congress Proceedings.)*, S135.

Blascovich, J., **Kibler, J.**, Ernst, J.M., Tomaka, J., & Vargas, Y. (1994). Manipulation of cardiac and vascular reactivity: Effects on cognitive appraisal. *Psychophysiology*, *31(Suppl.)*, S26.

Other Conference Presentations (proceedings not published):

Kibler, J.L., & Ma, M. (2019). The association of body mass index with cardiac recovery from psychological stress among trauma-exposed women. Poster presented at the 99th annual Western Psychological Association convention. Pasadena, CA.

Kibler, J.L., Ma, M., & Hrzich, J. (2018). Sociodemographic aspects of health disparities in hypertension: Toward a better understanding of PTSD/hypertension associations. Poster presented at the 7th International Symposium on Education and Psychology. Osaka, Japan

Kibler, J.L., Lewis, R., & Ma, M. (2017). Development of a health behavior intervention for adults with PTSD. Paper presented at the 2nd annual International Conference on Metabolic Syndrome. London, UK.

Kibler, J.L., Ma, M., Tursich, M., Malcolm, & Beckham, J. (2017). PTSD symptom severity is associated with lipid levels among young women. Poster presented at 29th annual Association for Psychological Science Convention. Boston, MA.

Ma, M., & **Kibler, J.L.** (2016). Less cardiovascular recovery from stress associated with PTSD symptoms and threat appraisal. Poster presented at 124th annual American Psychological Association Convention. Denver, CO.

Ma, M., **Kibler, J.L.**, Augustin, D., Malcolm, L., Tursich, M., Greenberg, R., Gold, S.N. (2016). Severity of PTSD symptoms and cardiovascular reactivity to stress. Poster presented at 124th annual American Psychological Association Convention. Denver, CO.

Malcolm, L., **Kibler, J.L.**, Tursich, M., Ma, M., Greenberg, R., Gold, S.N. (2015). A Pilot study of cardiovascular reactivity in PTSD as a function of symptom clusters. Poster presented at 123rd annual American Psychological Association Convention. Toronto, CA.

Angleman, A., Van Hasselt, V.B., & **Kibler, J.L.** (2014). Firefighter stress: Association with PTSD symptomatology and cardiovascular disease risk. *In V.B. Van Hasselt (Chair), Risk and Resilience in Law Enforcement and Fire Rescue Personnel*. Symposium conducted at 122nd annual American Psychological Association Convention. Washington, DC.

Ma, M., **Kibler, J.L.**, Tursich, M., Malcolm, L., Ketterer, J., Greenberg, R., Richardi, T., Diaz-Albertini, K., & Llabre, M.M. (2013). Posttraumatic stress and cardiovascular risk factors among young women. Poster presented at the 121st annual American Psychological Association Convention. Honolulu, HI.

Ma, M., **Kibler, J.L.**, & Sly, K. (2013). Gratitude buffers against sexual and drug risks in African American youth. Poster presented at the 121st annual American Psychological Association Convention. Honolulu, HI.

Malcolm, L.R., Lopez, V.L., Sanchez, J.C., Allen, C., **Kibler, J.L.**, & Ma, M. (2012). Educational aspiration and cultural values among Hispanic adolescents. Poster presented at the 120th annual American Psychological Association Convention. Orlando, FL.

Diaz-Albertini, K., Cortes, L., Simpson, B., Leeder, E.M., **Kibler, J.L.**, & Ma, M. (2012). Drug experimentation and cultural values among Hispanic adolescents. Poster presented at the 120th annual American Psychological Association Convention. Orlando, FL.

Kibler, J.L., Ma, M., Washington, K.S., & Smith, C.D. (2011). Psychometric properties of the Barriers to Research Participation Questionnaire in a community sample of African American men and women. Poster presented at the 31st annual meeting of the Society of Behavioral Medicine. Washington, DC.

Tursich, M., **Kibler, J.L.**, Gold, S.N., & Hammelman, J.D. (2010). A longitudinal case study of psychological and immune system function during psychotherapy for childhood abuse sequelae. Poster presented at the annual meeting of the International Society for Traumatic Stress Studies, Montréal, Québec, Canada.

Tursich, M., Mirmelli, J.L., **Kibler, J.L.**, Gold, S.N., Duty, V., & Hammelman, J.D. (2010). Longitudinal assessment of psychophysiological functioning and clinical outcomes in Contextual Therapy: A case study. Paper presented at the annual conference of the International Society for the Study of Trauma and Dissociation, Atlanta, GA.

Tursich, M., Gold, S.N., Hammelman, J.D., Duty, V., **Kibler, J.L.** (2010). Relationships between psychological distress and immune system function in women with a history of childhood abuse or neglect: A pilot study. Poster presented at the annual conference of the International Society for the Study of Trauma and Dissociation, Atlanta, GA.

Munroe, C.D., **Kibler, J.L.**, Robles, G., Pandya, N., Fins, A.I., & Smith, W. (2009). Associations of diabetes health risks with cognitive appraisals, depression and anxiety. Poster presented at the 30th annual meeting of the Society of Behavioral Medicine. Montreal, QC.

Booth, B.E., Van Hasselt, V., & **Kibler, J.L.** (2009). Cognitive behavioral stress management program for correctional officers. Poster presented at the third annual Academic and Health Policy Conference on Correctional Health. Ft. Lauderdale, FL.

Ma, M., Malcolm, L., Marcoulli, M., **Kibler, J.L.**, Brown, B.R., Mitty, J.A., & Flanigan, T. (2009). Religiosity and health among HIV-seropositive African American substance users. Poster presented at the 117th annual American Psychological Association Convention. Toronto, CA.

Kibler, J.L. (2007). Cognitive and behavioral reactions to stress among adults with PTSD: Implications for immunity and health. In K. Kendall-Tackett (Chair), *Why Trauma Makes People Sick: The Role of Traumatic Stress in the Pathogenesis of Cardiovascular Disease, Metabolic Syndrome and Neurodegenerative Disease*. Symposium conducted at 115th annual American Psychological Association Convention. San Francisco, CA.

Dollar, K.M., Lyons, J.A, **Kibler, J.L.**, Ma, M. (2007). Feasibility and efficacy of a home study workbook for caregivers of veterans with PTSD: A pilot intervention. Poster presented at the 28th Annual Meeting of the Society of Behavioral Medicine. Washington, DC.

Bartholow, B.N., **Kibler, J.L.**, Young, A.T., Dillard-Smith, C., Durham, M., Ma, M., Washington, S., & Lockett, G. (2006). The willingness of Black heterosexuals and men who have sex with men (MSM) in three U.S. cities to participate in HIV vaccine trials. Paper presented at the 5th Aids Vaccine Conference. Amsterdam, The Netherlands.

Addison, C.C., Jenkins, B.W., Payne, T., Sarpong, D., **Kibler, J.L.**, Singh, M., Wilson, G., Mosley, T., & Dubbert, P. (2005). Psychometric evaluation of a short-form of the Coping Strategies Inventory (CSI) in the Jackson Heart Study cohort. Poster presented at the 133rd Annual meeting of the American Public Health Association. Philadelphia, PA.

Freidenberg, B. M., Penzien, D. B., **Kibler, J. L.**, Rhudy, J. L., Rains, J. C., & Houle, T. T. (2004). Assessing the impact of ovarian hormones on headache using time series methodology. Poster presented at the annual meeting of the Association for the Advancement of Behavior Therapy, New Orleans, LA.

Kibler, J.L., Brisco, K., & Ma, M. (2002). Omega-3 fatty acids for protection against cholesterol risk: A case study. Poster presented at Annual *Eliminating Health Disparities in Mississippi* Conference. Jackson, MS.

Kibler, J.L., Lyons, J.A., Roberson-Nay, R., & Prosser, V. (2001). Psychophysiological recovery in relation to PTSD symptoms among Vietnam combat veterans. Poster presented at the 22nd Annual Meeting of the Society of Behavioral Medicine. Seattle, WA.

Karnatovskaia, L., Rusiewicz, A., **Kibler, J.L.**, Parker, M., Henry, N., Gonzalez, A., Hart, C., Marks, J., Skyler, J., Schneiderman, N., & Hurwitz, B.E. (2001). Early in Type 1 diabetes mellitus progression, heart structure and functional abnormalities are predicted by diminished parasympathetic outflow. Poster presented at the 22nd Annual Meeting of the Society of Behavioral Medicine. Seattle, WA.

Kibler, J.L., & Lyons, J.A. (2001). Brief cognitive emotion/stress management treatment for PTSD and depression. Presented at the 1st annual University of Mississippi Medical Center, Department of Psychiatry and Human Behavior Research conference. Jackson, MS.

Kibler, J.L., & Lyons, J.A (1999). A treatment matching model for stress/emotion management in PTSD and depression. Presented at the 50th annual meeting of the Mississippi Psychological Association. Biloxi, MS.

Lyons, J.A., **Kibler, J.L.**, & Cunningham, R.A. (1999). Veterans unable to tolerate acoustic startle: A distinct population? Presented at the 107th annual American Psychological Association Convention. Boston, MA.

SELECTED INVITED COLLOQUIA AND WORKSHOPS (22 total invited presentations)

Guest lectures: *Concepts in Assessment and Psychometrics*; presented to undergraduate level Research Methods classes at Nova Southeastern University. July 2016; September 2009; January 2009; January 2008

Invited presentation: *Innovative Research and Services in the NSU Biofeedback and Health Psychology Center*. Presentation at eMerge America 2015 Tech conference. Miami, FL. May 2015.

Invited presentation: *Biofeedback and Stress Management Interventions for Chronic Regional Pain Syndrome (CRPS)*. Presentation and hands-on biofeedback demonstration for CRPS support group and providers. Coral Springs, FL. July 2012.

Colloquium: *Beyond 911 and War: Posttraumatic Stress Disorder Widely Affects the Health of Civilians*. Presented to faculty and students of Nova Southeastern University. November 2009

Chair of *Graduate Student Research in Behavioral Medicine*. Panel Discussion for students at annual meeting of Society of Behavioral Medicine. March 2006 and March 2007
