

CURRICULUM VITAE
JANELL L. MENSINGER, PhD, FAED

(pronouns: she, her)

College of Psychology
Department of Clinical and School Psychology
3301 College Ave., Maltz 1073
Nova Southeastern University
Ft Lauderdale, FL 33314
Phone: 954-262-5402 (office)
Email: jmensing@nova.edu

EDUCATION

- 2005 Post-doctoral training fellow, Biostatistics in Mental Health Research
Center for Clinical Epidemiology and Biostatistics
University of Pennsylvania School of Medicine
- 2004 Post-doctoral training fellow, Behavioral Health Research
Center for Family Intervention Science, Department of Child Psychiatry
Children’s Hospital of Philadelphia/ University of Pennsylvania School of Medicine
- 2003 Ph.D. Psychology (subprogram in environmental, concentration in health)
The Graduate Center, City University of New York
- 1996 B.A. Psychology, *Summa cum laude*
West Chester University of Pennsylvania

POSITIONS

- 2021-present Associate Professor, College of Psychology, Department of Clinical and School Psychology, Nova Southeastern University
- 2019-present Associate Professor/ currently, Research Associate Professor (courtesy appt), M. Louise Fitzpatrick College of Nursing, Villanova University
- 2017–2019 Associate Research Professor, Director, Biostatistics Service Center, Department of Epidemiology and Biostatistics, Dornsife School of Public Health, Drexel University
- 2015–2017 Associate Teaching Professor, Department of Health Sciences, College of Nursing and Health Professions, Drexel University
- 2009–2015 Assistant Teaching Professor, Department of Health Sciences, College of Nursing and Health Professions, Drexel University

2007-2009	Director of Research, Tower Health (Reading Hospital and Medical Center)
2005-2007	Assistant Professor (tenure-track), Department of Preventive Medicine and Community Health, SUNY Downstate College of Medicine

RESEARCH AREAS

Substantive – Novel approaches to eating disorders treatment and prevention; Weight stigma; Traumatic stress; Healthcare barriers; Health equity in underserved populations; Interoceptive awareness; Mindful self-care; Biofeedback approaches for resilience and healing

Methodological – Applied longitudinal modeling; Measurement; Mechanisms of change (mediators) for health outcomes and intervention/prevention programs; Moderators of treatment and health outcomes

HONORS & AWARDS

2019	Fellow, Academy for Eating Disorders
2019	Best Oral Presentation Award – Kongress Essstörungen 2019
2018	David Barlow Poster Award for Research Excellence, 28 th Annual Renfrew Center Foundation Conference on Eating Disorders
2018	Martha Montgomery Award for Sex and Gender Research, Best Research Talk Drexel University
2004–2006	National Institutes of Health Loan Repayment Award
2004–2005	Ruth L. Kirschstein National Research Service Award, NIMH
2002	Sue Rosenberg Zalk Dissertation Support Award
2000	Passed Second Qualifying Doctoral Exam with Distinction, Department of Psychology, The Graduate School and University Center, CUNY
1998–2001	University Fellowship & Tuition Scholarships, Offices of the Provost and Student Affairs, Department of Psychology, The Graduate Center, CUNY
1995	Outstanding Academic Achievement Award, Department of Psychology, West Chester University
1995	Outstanding Research Award, Department of Psychology, West Chester University
1995	Inducted into Pi Gamma Mu, International Social Science Honor Society
1994–1995	Presidential Swope Foundation Scholarship, West Chester University
1994	Northeast Regional Scholarship, United Nations Honors Semester, National Collegiate Honors Council
1994	Inducted into Psi Chi, National Psychology Honor Society

GRANT & CONTRACTS AWARDED

- 2021-2022 Veritas Faculty Grant – Villanova University, Office of the Provost (\$10,000)
Role: Principal Investigator
Project Title: *Heart rate variability biofeedback for disordered eating among healthcare professionals during the COVID-19 pandemic: A pilot feasibility study*
- 2021-2022 FCN Research Development Grant – Villanova University, Fitzpatrick College of Nursing (\$10,000)
Role: Principal Investigator
Project Title: *Heart rate variability biofeedback for disordered eating among healthcare professionals during the COVID-19 pandemic: A pilot feasibility study*
- 2021-2022 FCN Research Development Grant – Villanova University (\$10,000)
Role: Co-Principal Investigator
Project Title: *Positive embodiment among childhood cancer survivors*
- 2021-2022 FCN Research Development Grant – Villanova University (\$10,000)
Role: Co-Investigator
Project Title: *Suicide prevention in primary care*
- 2020-2021 Geriatric Interest Group – Villanova University (\$5000)
Role: Biostatistician/Co-Investigator
Project Title: *Symptoms contributing to mobility limitations and fear of falls in older adults*
- 2020-2025 Sponsored research courtesy of Travers Therapeutics, 1842 Day donors, McKessan, and Villanova University (\$80,000)
Role: Co-Principal Investigator
Project Title: *CHAMPS – A longitudinal study of the COVID-19 healthcare workforce*
- 2019–2020 National Eating Disorders Association – through the Betty A. and D. Walter Cohen Foundation (\$50,000)
Role: Principal Investigator
Project Title: *Building Research Capacity for Studying Body Trust®*
- 2019 Commonwealth Universal Research Enhancement Formula Grant Program, Drexel University and the Pennsylvania State Department of Health (\$75,000–returned due to sponsor regulations surrounding institutional transfers)
Role: Principal Investigator
Project Title: *A Pilot Feasibility Trial of Body Trust®: A Trauma-Informed Internet-Based Guided Self-Help Program for Binge Eating*
- 2019 Discovery Behavioral Health Grant Contract (\$20,850)
Role: Principal Investigator
Project Title: *Predictors of Trajectories of Change in Higher Levels of Eating Disorder Specialty Care.*

- 2017–2019 National Endowment for the Arts (\$450,000)
Role: Biostatistician/Co-I
Project Title: *Arts Research on Chronic Stress*
- 2016–2017 Department of Health Sciences, Internal Faculty Research Grant, Drexel University (\$2500)
Role: Principal Investigator,
Project Title: *Weight stigma and body shame as mediators of stress and healthcare avoidance in women with high body mass index*
- 2009–2011 Edna G. Kynett Memorial Foundation for Cardiovascular Disease Prevention (\$35,000)
Role: Principal Investigator
Project Title: *Long-term health improvements in weight-centered vs. wellness centered interventions for women with obesity: A randomized controlled trial*
- 2008–2009 Edna G. Kynett Memorial Foundation for Cardiovascular Disease Prevention (\$50,000)
Role: Principal Investigator
Project Title: *Comparative health improvements in weight-centered vs. wellness centered interventions for women with obesity: A randomized controlled trial*
- 2005–2007 Dean’s Research Initiative Grant, SUNY Downstate Medical Center (\$25,000)
Role: Principal Investigator
Project Title: *Barriers to healthy eating among urban pregnant women*
- 2005–2007 Dean’s Research Initiative Grant, SUNY Downstate Medical Center (\$25,000)
Role: Co-Investigator/Statistician,
Project Title: *Infant feeding patterns and early childhood growth rates*
- 2005–2007 NICHD 5K12-HD 043428) (\$1,000,000)
Role: Fellow (J. LaRosa)
Project Title: *Women’s health research: from molecules to therapies*
- 2004–2005 NIAAA 5R01-AA 14850-02 (\$1,125,290)
Role: Data Analyst (PI – J. McKay)
Project Title: *Effectiveness of extended telephone monitoring for alcohol and cocaine abuse*
- 2004–2005 NIMH T32-MH 065218
Role: Post-doctoral Fellow (PI – T. Ten Have) (\$214,463)
Project Title: *Advancing biostatistical methods in mental health research*
- 2004 NIMH, 1R03 MH 071711-01A1 (\$50,000 - returned due to concurrent T32)
Role: Principal Investigator

- Project Title: *Pre-intake attrition in adolescent community mental health settings*
- 2003–2004 SAMHSA/CSAT, DHHS, 1KD1 TI 12546-01
Role: Post-doctoral Fellow (PI – Diamond)
Project Title: *Co-occurring Disorders Study*
- 2002 CUNY Graduate Center, Sue Rosenberg Zalk Dissertation Support Grant (\$500)
Role: Principal Investigator
Project Title: *Disordered eating, adherence to the superwoman ideal, and gender socialization in school environments*
- 2001 CUNY Graduate Center, Doctoral Student Research Grant Competition (\$500)
Role: Principal Investigator
Project Title: *Gender concerns among adolescent girls in coeducational and single sex schools*

PRESENTATIONS

Peer-Reviewed National/International Conferences:

Oral Paper sessions, Chaired Symposia, Workshops

Mensinger, J.L., Cantrell, M.A., Weissinger, G. (March, 2022). HRV biofeedback in healthcare workers: a pilot feasibility study, Paper presentation accepted at the 52nd Annual Scientific Meeting for the Association for Applied Psychophysiology and Biofeedback, Irving, TX.

Harrop, E.N.* & **Mensinger, J.L.** (November, 2021). *Weight suppression and minimum BMI predict treatment delay in atypical anorexia nervosa*, Paper presentation given at the 67th Annual Program Meeting for the Council on Social Work Education, Orlando, FL.

Harrop, E.N.* & **Mensinger, J.L.** (June, 2021). *Weight history across the lifetime and medical complications in individuals with atypical anorexia nervosa: A systematic review*, Paper presentation given at the Annual meeting for the International Conference of Eating Disorders, Virtual.

Cantrell, M.A., Ruble, K., **Mensinger, J.L.**, Birkhoff, S., Morris, A.*, Griffith, P. Adams, J. (March, 2021). The usability and effect of the Health Storylines™ mHealth app on female childhood cancer survivors' self-efficacy, health-related quality of life and perceived illness. Paper presentation at the Annual meeting of the Eastern Nursing Research Society, Virtual.

- McCay, M., Whitehouse, C., **Mensinger, J.L.** (March, 2021). *Frailty and depression: Mediators of fear of falling and quality of life in older adults*. Paper presentation at the Annual meeting of the Eastern Nursing Research Society, Virtual.
- Havens, D., **Mensinger, J.L.**, Kaufmann, P.K. (Feb, 2021). *The emotional wellbeing of nurses working during the US acute phase of the COVID-19 Pandemic*. Paper presentation at Sigma Theta Tau International, Creating Healthy Work Environments Conference, Virtual.
- Havens, D., (on behalf of CHAMPS Steering Committee, **Mensinger, J.L.**, study co-PI) (Nov, 2020). *Shaping systems to promote desired outcomes: Academic and Practice Partnerships*. Final Keynote for the Association for Leadership Science in Nursing, Virtual.
- Brom, H., (on behalf of CHAMPS Steering Committee, **Mensinger, J.L.**, study co-PI) (October, 2020). *Caring about health for all: A longitudinal study of the effects of COVID-19 on frontline workers*. Summit on Promoting Well-being and Resilience in Healthcare Professionals, Columbus, OH, Virtual.
- Mensinger, J.L.**, Granche, J.*, Cox, S., Henretty, J.R. (October, 2019). *Unintended consequences of the War on Obesity: Patients attributing their eating disorder onset to anti-obesity messaging enter treatment with more severe symptoms*. Paper presentation at the 27th International Congress on Eating Disorders, Alpbach, Austria.
- Mensinger, J.L.**, Cox, S., Henretty, J.R. (June, 2019). *The effect of anti-fat messages on symptom severity and treatment outcomes in eating disorder patients entering higher levels of care*. Paper presentation at the 7th Annual International Weight Stigma Conference, London, Ontario, Canada.
- Mensinger, J.L.**, Calogero, R.M., Tylka, T.L., & Harrop, E.N.* (March, 2019). *Internalized weight stigma and intuitive eating explain changes in binge eating behaviors among women with high BMI*. Paper presentation given at the Annual meeting of the International Conference on Eating Disorders, New York, NY.
- Tylka, T.L., Calogero, R.M., **Mensinger, J.L.** (March, 2019). *Pressure to be thin and body acceptance by others mediate the relationship between BMI and intuitive eating*. Paper presentation given at the Annual meeting of the International Conference on Eating Disorders, New York, NY.
- Mensinger, J.L.**, Tylka, T.L., & Calamari, M.E.* (June, 2018). *Social identity threat and the implications of weight stigma on healthcare avoidance*. Paper presentation at the 6th Annual International Weight Stigma Conference, Leeds, Great Britain.
- Mensinger, J.L.**, Harrop, E.*, Turner, C., LaMarre, A, Kinavy, H., & Church, J. (April, 2018). *But what if my patient gets fat?: Research and clinical implications of weight stigma in treating higher-weight patients with eating disorders*. Workshop given at the International Conference on Eating Disorders, Chicago, IL
- Walker, S., Conlon, T., Zhang, B.*, **Mensinger, J.L.**, Fitzgerald, J., Himebauch, A., Glau, C., Nishisaki, A., Nadkarni, V., & Weiss, S. (May, 2018). *Application of clinical signs to differentiate warm versus cold pediatric septic shock*. Paper presentation at the Pediatric Academic Societies, Toronto, Canada.
- Mensinger, J.L.**, & Meadows, A. (June, 2017). *Internalized weight stigma diminishes improvements in physical activity outcomes following a healthy living program in women with high BMI*. Paper

presentation in organized Symposium at the 5th Annual International Weight Stigma Conference, Prague, Czech Republic.

- Mensinger, J.L.**, Calogero, R.M., Hartman-McGilley, B., Harriger, J., Bazzi, K. (May, 2016). *Rethinking and restoring exercise for Health at Every Size: New integrative approaches for eating disorders treatment and recovery*. Coordinating Chair and Moderator on SIG Panel presentation at the Annual meeting of the International Conference on Eating Disorders, San Francisco, CA.
- DeJoy, S., Mandel, D., **Mensinger, J.L.**, Holladay, E., & Wicker, S. (September, 2015). *Pilot test of an obesity stigma reduction intervention in maternity care*. Paper presentation at the 3rd Annual International Weight Stigma Conference, Reykjavik, Iceland.
- Mensinger, J.L.** (July, 2015). *Healthy At Every Size® trumps behavioral weight loss in long-term results of a randomized controlled trial: HAES® research update*. Paper presentation at the Annual meeting of the Association for Size Diversity and Health, Boston, MA.
- Mensinger, J.L.** (November, 2014). *Long-term effects of a Health At Every Size approach versus a traditional dieting intervention on disordered eating among large women*. Paper presentation at the Annual meeting of the American Public Health Association, New Orleans, LA.
- Mensinger, J.L.** & Zotter, D. (March, 2014). *Weight bias internalization as a moderator of changes in disordered eating behaviors during a Health at Every Size vs. a standard dieting/lifestyle change intervention for large women*. Paper presentation at the Annual meeting of the International Conference on Eating Disorders, New York, NY.
- Mensinger, J.L.**, Close, H.*, & Ku, J. (November, 2009). *Intuitive eating: A novel health promotion strategy for obese women*. Paper presentation at the Annual meeting of the American Public Health Association, Philadelphia, PA
- Mensinger, J.L.**, Close, H.*, Marks, E.*, & Ku, J. (August, 2009). *Healthy living project: Preliminary findings of a randomized controlled trial of health at every size vs. behaviorally-based weight loss*. Paper presentation at the Annual meeting of the Association for Size Diversity and Health, Washington DC
- Persad, M.D.*, & **Mensinger, J.L.** (October, 2008). *Food insecurity, dietary quality, & psychosocial factors among urban pregnant women*. Paper presentation at the Annual meeting of the American Public Health Association. Selected for the Greg Alexander Outstanding Students Paper Session and won first place cash prize. San Diego, CA
- Mensinger, J.L.**, & Kostynuk, C. (July, 2008). *Research update: Implementation of a randomized controlled trial of a health at every size program*. Workshop presentation at the Annual meeting of the Association for Size Diversity and Health, Los Angeles, CA
- Mensinger, J.L.**, & Bonifazi, D.Z. (November, 2005). *Measurement issues in psychology: The superwoman ideal, a fading feminist construct*. Workshop given at the Annual Renfrew Center Foundation Conference on Eating Disorders, Philadelphia, PA
- Grier S.A., **Mensinger, J.L.**, Haung, S.H., Kumanyika, S.K., & Stettler, N. (October, 2005). *Ethnic differences in reported parent/caregiver exposure and responses to fast food marketing*.

Paper presented at the Annual meeting of the North American Association for the Study of Obesity, Vancouver, BC

McKay, J.R., Lynch, K., **Mensinger, J.L.**, Ratichek, S., Koppenhaver, J., & Shepard, D. (August, 2005). *Services received and problem severities over a two-year post-treatment follow-up*. Paper presented at the Annual meeting of the Research Society on Alcoholism, Santa Barbara, CA

Mensinger, J.L., & Bonifazi, D.Z. (October, 2004). *The superwoman of the 21st century: Doubly burdened or pathologically independent?* Workshop presentation at the Annual meeting for the Association for Women in Psychology, Perspectives on Women's Well Being: Feminist Psychology, Science, and Practice, Philadelphia, PA

Mensinger, J.L. (August, 2004). *Context matters: Lessons on relational functioning in young women with eating disorders*. Organizer and Roundtable discussion leader at the Annual meeting of the American Psychological Association, Honolulu, HI

McKay, J.R., Lynch, K., Shepard, D. & **Mensinger, J.L.** (August, 2005). *Contributions of alcohol research to the concepts of continuing care and disease management*. Paper presented at the Annual meeting of the American Psychological Association, Washington, DC.

Mensinger, J.L. (April, 2004). *Barriers to treatment for substance abusing adolescents: Consumer perspectives*. Paper presented at the Annual meeting of the Eastern Psychological Association, Washington, DC

Mensinger, J.L. (August, 2001). *Growing up female: Reflections on education, culture, and the body*. Organizer and Chair of Symposium at the Annual meeting of the American Psychological Association, San Francisco, CA

Mensinger, J.L. (April, 2000). *Gender concerns in adolescent females: The impact of single sex versus coeducational school environments*. Paper presentation at the 12th Greater New York Conference on Psychological and Social Research. New York, NY

Posters (selected)

Oliver, T., Shenkman, R., Diewald, L., **Mensinger, J.**, *Moore, C.H. (October, 2021) *COVID-19 psychological symptoms and pandemic-related lifestyle changes on weight*, Virtual poster presented at the American Public Health Association Annual Meeting and Expo, Denver, CO.

Whitehouse, C., **Mensinger, J.L.**, McKay, M. (October, 2020). *Fear of falls and quality of life in community-dwelling older adults: Is diabetes an effect modifier?* Virtual poster presented at the Gerontological Society of America 2020 Annual Scientific Meeting

McKay, M., **Mensinger, J.L.**, Whitehouse, C. (October, 2020). *Frailty and depression: Mediators of fear of falling and quality of life in older adults*. Virtual poster presented at the Gerontological Society of America 2020 Annual Scientific Meeting

Mensinger, J.L., Sturtevant, D., Kinavey, H. (October, 2020). *Effectiveness of an online Body Trust[®] program for reducing traumatic distress, body shame, and disordered eating*. Virtual poster presented at the Eating Disorders Research Society Annual Conference

- King, A.*, Russon, J., **Mensinger, J.L.**, (October, 2020). *The moderating effect of attachment insecurity on parental psychological control and disordered eating among young adult women*. Virtual poster presented at the Eating Disorders Research Society Annual Conference.
- Harrop, E.N.* & **Mensinger, J.L.** (October, 2020). *An exploration of the connection between weight-related variables and eating disorder treatment delay in a diverse sample of patients with a history of atypical anorexia nervosa*. Virtual poster presented at the Eating Disorders Research Society Annual Conference.
- Mensinger, J.L.**, Granche, J.*, Cox, S., Henretty, J.R. (September, 2019). *Gender and sexual minority individuals enter higher levels of eating disorder specialty care with more severe eating disorder symptoms and greater frequencies of trauma-related risk factors*. Poster presented at the Eating Disorders Research Society Annual Conference, Chicago, IL.
- Harrop, E. N.* & **Mensinger, J.L.** (September, 2019). *Restrictive eating disorders in higher-weight persons: A systematic review of Atypical Anorexia literature*. Poster presented at the Eating Disorders Research Society Annual Conference, Chicago, IL.
- O'Neil, M., **Mensinger, J.**, Dagan, M. Chompski, S., Wojciechowicz, C.*, Feehan, K. Turchi, R. (September, 2019). *Measuring physical activity during functional tasks in ambulatory youth with cerebral palsy*. Poster Presentation at the 73rd Annual Meeting of the American Academy for Cerebral Palsy and Developmental Medicine, Anaheim, CA.
- Mensinger, J.L.**, & Calamari, M.E.* (November, 2018). *Mechanisms underlying weight status and healthcare avoidance*. Poster presentation at the Annual Renfrew Center Foundation Conference on Eating Disorders, Philadelphia, PA.
- Kirschen, M.P., Snyder, M. Smith, K., Lourie, K., Agarwal, K., DiDonato, P., Doll, A. Zhang, B., **Mensinger, J.L.**, Ichord, R., Shea, J.A., Berg, R.A., Nadkarni, V., & Topjian, A. (October, 2018). *Inter-rater reliability of a pediatric modification to the Glasgow Coma Scale in an academic PICU*. Poster presentation at the Child Neurology Society Meeting, Chicago, IL.
- Mensinger, J.L.**, & Calogero, R.M. (November, 2016). *Unraveling internalized stigma undoes disordered eating: Results of a causal path model in a community-based sample of women with high BMI*. Poster presentation at the Annual Renfrew Center Foundation Conference on Eating Disorders, Philadelphia, PA.
- Mensinger, J.L.**, Russon, J.*, Shearer, A., & Diamond, G. (October, 2016). *Dismantling the stereotypes about eating disorders and race: Who is really suffering behind the "Golden Cage"?* Poster presentation at the Annual Conference of the Eating Disorders Research Society, New York, NY.
- Rompolski, K. **Mensinger, J.L.**, & Zillmer, E. (August, 2016). *Compulsive exercise and disordered eating among adult recreational exercisers: Is there a gender difference?* Poster presentation at the Annual meeting of the American Psychological Association, Denver, CO.
- Mensinger, J.L.**, Russon, J.*, Diamond, G., & Atte, T. (November, 2015). *Eating disorder risk and trauma in a youth primary care sample*. Poster presentation at the Annual Renfrew Center Foundation Conference on Eating Disorders, Philadelphia, PA.
- Calogero, R.M., **Mensinger, J.L.**, & Tylka, T.L. (November, 2015). *Development and validity of the Experiential Exercise Scale: A new tool for measuring process vs. outcome-driven exercise*.

Poster presentation at the Annual Renfrew Center Foundation Conference on Eating Disorders, Philadelphia, PA

Russon, J.* , **Mensinger, J.L.**, Diamond, G., Levy, S., & Atte, T. (October, 2015). *Suicide risk and eating disorders: Youth in primary care*. Poster presentation at the 2015 International Summit on Suicide Research Society. New York, NY.

Mensinger, J.L. & Calogero, R.M. (September, 2015). *Internalization of weight bias determines treatment success in a health at every size intervention*. Poster presentation at the 3rd Annual International Weight Stigma Conference, Reykjavik, Iceland.

Mensinger, J.L., MacBride, S.* , & Russell, V.* (November, 2014). *Changes in weight bias internalization explain disordered eating and psychological outcomes in an intervention study of obese women*. Poster presentation at the Annual Renfrew Center Foundation Conference on Eating Disorders, Philadelphia, PA.

Mensinger, J.L., Quinn, K.* , & Lai, E.* (November, 2014). *Weight bias internalization and physical activity among large women*. Poster presentation at the Annual Renfrew Center Foundation Conference on Eating Disorders, Philadelphia, PA

Mensinger, J.L., Kelly J.P.* , & Lai, E.* (October, 2014). *Intuitive Eating: A unique construct or simply a pole on the disordered eating continuum?* Poster presentation at the Annual Conference of the Eating Disorders Research Society, San Diego, CA.

Mensinger, J.L. (March, 2013). *Intuitive eating and responsiveness to the food environment among obese women*. Poster presentation at the Annual meeting of the Eastern Psychological Association, New York, NY.

Pugh, C.J.* , Schmitz, A.L., & **Mensinger, J.L.** (November, 2010). *Recurrence of myomas after myomectomy in women pretreated with GnRH agonists*. Poster presentation at the 39th Global Congress of Minimally Invasive Gynecology, Las Vegas, NV

Mensinger, J.L., Close, H.* , & Ku, J. (November, 2009). *The effectiveness of a traditional behavioral weight loss program versus a health at every size program for reducing disordered eating attitudes and behaviors in obese women*. Poster presentation at the Annual Renfrew Center Foundation Conference on Eating Disorders, Philadelphia, PA

Weinberger-Litman, S.L.* , & **Mensinger, J.L.** (November, 2009). *Adherence to the Superwoman Ideal as a Mediator of the Association Between Religious Orientation and Disordered Eating in Jewish Women*. Poster presentation at the Annual Renfrew Center Foundation Conference on Eating Disorders, Philadelphia, PA

Mensinger, J.L., Close, H.* , Marks, E.* , & Ku, J. (September, 2009). *Appetitive hyper-responsiveness & intuitive eating: new constructs for understanding disordered eating behavior and the treatment of obesity*. Poster presentation at the Annual Conference of the Eating Disorders Research Society, Brooklyn, NY

Weinberger-Litman, S.L.* , **Mensinger, J.L.**, Rabin, L.A., Shimmyo, K.J., Fogel, J. Gantman, M., & Graves, J.V. (November, 2007). *Mediators of religious orientation on body image and eating disturbance in Jewish women*. Poster presentation at the Annual Renfrew Center Foundation Conference on Eating Disorders, Philadelphia, PA

Mensinger, J.L. & Dinkevich, E. (October, 2007). *Maternal Feeding Practices and Infantile Obesity*.

Poster presentation at the Annual meeting of the North American Association for the Study of Obesity. New Orleans, LA

Weinberger-Litman, S.L*, Rabin, L.A., Shimmyo, K.J., Fogel, J. Gantman, M., Graves, J.V., &

Mensinger, J.L. (May, 2007). *Effects of religious orientation on body image and eating disturbance in a sample of Jewish women*. Poster presentation at the Annual meeting of the International Conference on Eating Disorders, Baltimore, MD

Dinkevich, E., **Mensinger, J.L.**, Leid, L., Heard, S., & Williams, N.* (May, 2007). *Maternal correlates of infant feeding practices*. Poster presentation at the Pediatric Academic Societies' Annual Meeting, Toronto, ON

Mensinger, J.L. (August, 2004). *School gender composition and disordered eating among adolescent females*. Poster presentation at the Annual meeting of the American Psychological Association, Honolulu, HI

Mensinger, J.L., Wintersteen, M.B., Kahn, M., & Diamond, G.S. (April, 2004). *Barriers to university/community mental health research collaboration*. Poster presentation at the Annual meeting of the Eastern Psychological Association, Washington, DC

Mensinger, J.L. (October, 2003). *Eating pathologies among urban youth*. Poster presentation at the Annual meeting of the International Conference on Urban Health, New York, NY

Mensinger, J.L. (August, 2000). *Conflicting gender role prescriptions and disordered eating in single sex and coeducational school environments*. Poster presentation at the Annual meeting of the American Psychological Association, Washington, DC

Mensinger, J.L., McIntire, A., & Duncan, P.K. (May, 1995). *The differential effects of pay for performance and goal setting for increasing worker productivity*. Poster presentation at the Annual meeting of the Association for Behavior Analysis, Washington, DC

Invited Workshops/Presentations/Speaking Engagements:

Mensinger, J.L., Turner, C., Smith, J. Flores, A. (Feb., 2020). *Eating disorders: Where is the field today? and what are the gaps and opportunities for growth?* National Eating Disorders Awareness Week. Virtually held, FB Live Event.

Mensinger, J.L. & Sutherland, F. (March, 2019). *An interdisciplinary, social justice, and evidence-based approach to body image in the treatment of individuals of size with eating disorders*. Clinical Teaching Day half-day Workshop, International Conference for Eating Disorders, NY, NY.

Mensinger, J.L. (October, 2018). *Eating disorders in higher weight individuals: Time for a paradigm shift*. Congressional Mental Health Caucus, Capitol Hill, Washington, DC.

Mensinger, J.L. (May, 2015). *Weight stigmatization and its effect on mental and physical well-being: A call for more HAES® informed healthcare*. Continuing Education Workshop, "Best Practices in Sensitive Care of the Pregnant Client with a High BMI", sponsored by the West Chester University Foundation and the Association of Teachers of Maternal Child Health.

Mensinger, J.L. (July, 2014). *Living well regardless of size: New strategies for health promotion in a society that vilifies fat.* Advena World Women's Leadership Conference, Washington DC.

Mensinger, J.L., Andresen, S., Lemire, D., Bond, S., & Burgard, D. (August, 2009). *Internal access to Health at Every Size®: Building community in ASDAH.* Panel discussion at the Annual meeting of the Association for Size Diversity and Health, Washington DC

Local (Campus) or Regional Presentations and Workshops:

Mensinger, J. L. (March, 2021). *Effectiveness of an online Body Trust® program for reducing traumatic stress and disordered eating.* Paper presentation, Research and Scholarship Day, Fitzpatrick College of Nursing, Villanova University, Villanova, PA

Mensinger, J.L. & Kaufmann, P. (Oct, 2020). *Study design, vision, and preliminary results for the CHAMPS study and Registry.* Faculty Development Seminar, Fitzpatrick College of Nursing, Villanova University, Villanova, PA

Mensinger, J.L. (May, 2020). *The new era of mediators and moderators: Moving beyond Baron and Kenny's causal steps.* Faculty Research Brown Bag Presentation, Fitzpatrick College of Nursing, Villanova University, Villanova, PA

Mensinger, J.L. (January, 2020). *Weight bias and healthcare avoidance in women: The delicate balance of promoting health without harm.* Faculty Research Brown Bag Presentation, Fitzpatrick College of Nursing, Villanova University, Villanova, PA

Mensinger, J.L. (April, 2019). *The untold story on weight and health: Lessons learned from a randomized controlled trial for women with high BMI.* Grand Rounds, Hahnemann University Hospital, Department of Obstetrics and Gynecology

Mensinger, J.L., Tylka, T.L., Calamari, M.* (March, 2018). *Healthcare avoidance, weight stigma and body shame among women with high BMI.* Paper presentation at the 2018 Helen I. Moorehead-Laurencin Annual Sex and Gender Research Forum, Drexel University, Philadelphia, PA

Mensinger, J.L., Wang, X.* (March, 2018). *Mechanisms of change for binge eating behaviors after participating in a healthy living program in women with high body mass index.* Paper presentation at the First Annual Transdisciplinary Research Symposium on Weight, Eating Disorders and Lifestyle Sciences, Drexel University, Philadelphia, PA

Mensinger, J.L. (May, 2017). *Barriers to changing physical activity habits in women with high body mass index: Mediating and moderating mechanisms.* Paper presentation at the 2nd Annual International Research Showcase, Drexel University, Philadelphia, PA

Calamari, M.*, **Mensinger, J.L.** (May, 2017). *Exploring mediating mechanisms relating weight stigma to healthcare avoidance.* Poster presentation at Drexel University's Week of Undergraduate Student Excellence, Philadelphia, PA

Mensinger, J.L. (March, 2017). *A critical analysis of "disFigured" and the representation of the fat acceptance movement and eating disorders.* National Alliance for Mental Illness event on campus at Drexel University

Kelly, J.P.*, & **Mensinger, J.L.** (April, 2014). *Attrition in a randomized controlled trial of a lifestyle intervention for obese women.* Poster presentation at Drexel University's Annual Student Research Day, Philadelphia, PA

Mensinger, J.L. (February, 2008). *The 'skinny' on weight, diets, and cardiovascular disease.* The 2008 Cardiovascular Disease Update, The Reading Hospital and Medical Center, Reading, PA

Mensinger, J.L. (February, 2005). *Battling eating disorders on college campuses.* Eating Disorders Awareness Week, Wellness Center, West Chester University, West Chester, PA

Mensinger, J.L. (February, 2004). *Battling eating disorders on college campuses.* Eating Disorders Awareness Week, Wellness Center, West Chester University, West Chester, PA

Mensinger, J.L. (April, 2003). *Overcoming challenges in the transition from high school to college.* College Forum at the Hill School, Pottstown, PA

Mensinger, J.L. (May, 2003). *Resisting the superwoman ideal in the 21st century.* Presentation given to grades 9-11, The Purnell School, Pottersville, NJ

Mensinger, J.L. (May, 2003). *Getting into and through graduate school.* West Chester University's Psychology Club, West Chester, PA

Mensinger, J.L. (May, 2003). *Identifying and supporting a peer with an eating disorder.* Presentation given to Peer Mentoring Program at the Hill School, Pottstown, PA

Mensinger, J.L. (August, 2003). *Understanding Body Image,* Intensive Summer Workshop at West Chester University, West Chester, PA

Mensinger, J.L. (April, 2002). *Identifying and supporting a peer with an eating disorder.* Presentation given to College Sorority Peer Mentor Training, Sister-to-Sister Eating Disorders Prevention and Intervention Program at West Chester University, West Chester, PA

Mensinger, J.L. (April, 2002). *Eating disorder interventions on a college campus.* Training program for Resident Directors at West Chester University, West Chester, PA

Mensinger, J.L. (February, 2002). *Strategies for decreasing the eating disorders epidemic on college campuses.* West Chester University's Wellness Center, Eating Disorders Awareness Week, West Chester, PA

Mensinger, J.L. (February, 2001). *How to support a friend with an eating disorder.* Sister-to-Sister Prevention and Intervention Program at West Chester University

TEACHING AND SUPERVISION

Course Director, Current/Developing courses:

- PSY 1806 – *Intermediate Statistics* (Doctoral course in Clinical Psychology), Spring 2022
- PSY 4678 – *Eating Disorders: Theory and Intervention* (Doctoral course in Clinical Psychology), Summer 2022
- PSY 2107 – *Theories of Measurement* (Doctoral course in Clinical Psychology), Fall 2022

Course Director, College of Nursing and Health Professions, Drexel University

Teaching assignments across varied quarters 2009–2017 (workload – 36 credits/academic year):

- HSCI 314 (Face to Face) – *Advanced Research for Health Sciences*
- STS 350 (Face to Face) – *Advanced Statistics for the Clinical Sciences*
- STS 345 (Face to Face) – *Statistics for the Health Sciences*
- STS 345 (Online) – *Statistics for the Health Sciences*
- HSCI 313 (Face to Face) – *Clinical Trials Protocols*
- HSCI 470 (Face to Face) – *Weight Stigma, Eating Disorders, Body Image, and Health (multiple Special Research Topics courses)*
- HSCI 315 (Face to Face) – *Current Issues in Clinical Research*
- HSCI 310 (Face to Face) – *Introduction to Clinical Research*
- HSCI 310 (Hybrid) – *Introduction to Clinical Research*
- ARTS 505 (Face to Face) – *Diagnosing Clinical Psychopathology I*
- ARTS 513 (Face to Face) – *Diagnosing Clinical Psychopathology II*
- HSCI 480 (Independent Readings) – *Sociology of the Body and Health*

Thesis & Capstone Examination Supervision:

- Ashley King (Committee Member), PhD in Human Development of Family Studies (anticipated Defense Spring 2023)
- Erin Harrop (Committee Member), PhD in Social Welfare, University of Washington (2020)
- Caitlyn McCarthy (Examiner), MA in Creative Arts Therapy, Drexel University (2018)
- Kathy Hartman (Co-Chair), Doctorate of Nursing Practice, Drexel University (2017)
- Pat Scherle (Committee Member), Doctorate of Nursing Practice, Drexel University (2016)
- Rose Dormio (Committee Member), Doctorate of Nursing Practice, Drexel University (2016)
- Sara Boucher (Examiner), PhD in Preventive and Social Medicine, University of Otago, New Zealand (2015)
- Malini D. Persad (Chair), MD/MPH, Downstate College of Medicine, (2007) (Recipient of APHA Maternal-Child Health award for project)
- Sarah Weinberger-Litman (Committee Member), PhD in Health/Experimental Psychology, CUNY, Graduate Center, (2007)

Statistical Supervision on Theses and Capstone Projects:

- M. Velma Weitz – PhD Nursing (2019)
- Jill Schwartz – Doctorate of Nursing Practice (2017)
- Carol Ann Blank – Ph.D. in Creative Arts in Therapy (2017)
- Emily Werner – MS in Human Nutrition (2016)
- Craig Sorkin – Doctorate of Nursing Practice (2016)
- Loretta Bassion – Doctorate of Nursing Practice (2016)

Graduate Assistant/ Research Mentee –Department of Mathematic & Statistics, and the Fitzpatrick College of Nursing, Villanova University

- Rachel Randall – Undergraduate student in Nursing (2021-present)
- Alexis Cohn – Undergraduate student in Nursing (2021-present)
- Cerena George – PhD student in Nursing Science (2021-present)
- Rachel Baskin – PhD student in Nursing Science (2020-present)

- Alexander Costello – MS student in Applied Statistics (2020-2021)
- Jackline Mayaka – PhD student in Nursing Science (2020)
- Amanda Morris – MS student in Applied Statistics (2019-2020)

Graduate Assistants/ Research Mentees –Dornsife School of Public Health, Drexel University

- Janeway Granche – MS student in Epidemiology and Biostatistics (2018-2019)
- Breanna Branch – MPH student Epidemiology (2018-2019)
- Bingqing Zhang – MPH graduate Biostatistics / Statistician CHOP (2017-2019)
- Xie Wang – PhD student in Epidemiology (2017)

Teaching Practicum Preceptor –College of Nursing and Health Professions, Drexel University

- Christen Mendonca, PhD Candidate Rehabilitation Sciences (2016-2017)
- Kate Myers-Coffman, PhD Candidate Creative Arts Therapy (2016-2017)

Undergraduate Independent Study Research Advisees –Department of Health Sciences, College of Nursing and Health Professions, Drexel University:

- Margaret Calamari – Sociology of the Body and Health (2017)
- Sean MacBride – Healthy Living and Exercise (2014)
- Vincent Russell – Healthcare and Weight Stigma (2014)
- Kerry Quinn – Weight Bias and Exercise (2014)
- Edward Lai – Intuitive Eating and Health (2014)
- James P. Kelly – Health and Eating Behaviors (2013-2014)

Research Assistants/Advisees (undergraduate and graduate from affiliated universities)–Office of Research, The Reading Hospital and Medical Center of Tower Health :

- Ashley Bowersox (2011)
- Heather Close (2009-2010)
- Elizabeth Jones (2008)
- Elizabeth Marks (2008-2009)
- Kelly Lopez (2008-2009)

Early teaching experience (Course Directorships, Guest Lecturer, and Teaching Assistantships)

- | | |
|-----------|--|
| 2007–2009 | • Instructor and developer of lecture series, <i>Biostatistics and Study Design</i> , Graduate Medical Education, The Reading Hospital and Medical Center |
| 2005–2007 | • Course Director, URBA 5101 <i>Principals of Biostatistics</i> , Graduate Program in Public Health Program, SUNY Downstate Medical Center |
| 2005–2007 | • Course Director and developer, URBA 5316, <i>Public Health of Nutrition, Weight, and Eating Disorders</i> , Graduate Program in Public Health, SUNY Downstate Medical Center |

- 2007 • Guest Lecturer, PHAS 3102, *Health Promotion and Disease Prevention*, Physician Assistant Program, SUNY Downstate Medical Center
- 2003–2004 • Guest Lecturer, *Research Methods and Statistics*, Psychiatry Fellows program, Children’s Hospital of Philadelphia
- 2004 • Guest Lecturer, *Developmental Psychopathology*, Master’s Program in Clinical Psychology, West Chester University
- 2002 • Course Director, PSY 501, *Introduction to Statistics and Research Methods for the Behavioral Sciences*, Masters Programs in Clinical and Industrial Psychology, West Chester University
- 2001–2002 • Teaching Assistant, *Research Methods and Statistics*, Ph.D. Program in Sociology, The Graduate Center, CUNY
- 2000–2002 • Guest Lecturer, *Eating Disorders Seminar*, Department of Psychology, West Chester University
- 2000–2001 • Teaching Assistant, *Statistics and Computer Programming*, Ph.D. Program in Psychology, The Graduate Center, CUNY

PROFESSIONAL SERVICE

Invited National/International Committees/Expert Panels:

- 2021 • Expert Panelist for Delphi study to determine a consensus definition of “healthy eating,” Lead PIs – Dr. Rachel Rodgers, APPEAR Lab, Department of Applied Psychology, Northeastern University, Dr. Kendrin Sonneville, University of Michigan, Nutrition Sciences
- 2019–present • Appointed Member, Diversity, Equity, and Inclusion Advisory Committee to the Board of the Academy for Eating Disorders
- Oct. 2020 • Invited expert to partake in a Strategic Planning Collaborative between NIMH and the National Eating Disorders Association for improving research training and funding priorities to fill knowledge gaps in the eating disorder field
- 2019–2020 • Expert Panelist for AGRReMA consensus study to determine reporting requirements for studies utilizing mediation analysis, Lead PI – Hopin Lee, PhD, Botnar Research Centre, Centre for Statistics in Medicine, University of Oxford, Oxford, UK
- 2019–2020 • Expert Panelist for “Identifying research priorities for the study of Atypical Anorexia Nervosa: A Delphi Study,” Lead PI – Cynthia Bulik, PhD, Director, Centre for Eating Disorders Innovation (CEDI), Karolinska Institute, Stockholm, Sweden
- 2019 • Invited expert for meeting with the Department of Health and Human Services, Office of Women’s Health, *How to talk about healthy weight and healthy eating: A cross-disciplinary dialogue on messaging to promote healthy behaviors and positive body image*, Washington, DC

- 2018–2019 • Expert Panelist on Delphi consensus study for validating the operationalization of *Weight Stigma*, Lead PI –S. Papadopoulos, Australian Catholic University
- 2017–2018 • Member, Conference Planning Committee – Programming Sub-committee, Association for Size Diversity and Health
- 2017–2018 • Co-Chair, Weight Stigma and Social Justice SIG, Academy for Eating Disorders
- 2016–2017 • Co-Chair, Conference Planning Committee, Association for Size Diversity and Health – “*Uniting Against Oppression: Navigating the Learning Curves in the Health at Every Size® Movement*”
- 2015–2017 • Co-Chair, Health at Every Size SIG, Academy for Eating Disorders
- 2013–2015 • Secretary, Board of Directors, Association for Size Diversity and Health
- 2013–2015 • Co-Chair, Scouting Committee, Association for Size Diversity and Health
- 2008–2009 • Co-Chair, Research Committee, Association for Size Diversity and Health
- 2008–2009 • Member, Conference Planning Committee, Association for Size Diversity and Health

Editorial Work:

- 2021-present • Statistical Editor – *Sex Roles: A Journal of Research*

Ongoing Guest/Ad hoc peer reviewing:

- ♦ *Acta Psychologica*
- ♦ *Psychosomatic Medicine*
- ♦ *British Journal of Health Psychology*
- ♦ *Appetite*
- ♦ *Journal of Applied Social Psychology*
- ♦ *Pedagogy in Health Promotion*
- ♦ *Stigma & Health*
- ♦ *Body Image*
- ♦ *Journal of Consumer Affairs*
- ♦ *Journal for the Academy of Nutrition and Dietetics*
- ♦ *Public Health Nutrition*
- ♦ *Psychology of Women Quarterly*
- ♦ *Sex Roles: A Journal of Research*
- ♦ *Journal of Community Health*
- ♦ *Bipolar Disorders: An International Journal of Psychiatry and Neurosciences*

Data Safety Monitoring Boards:

- 2019-present • NHLBI-funded RCT titled “Developing Oral LT3 Therapy for Heart Failure” (DOT3HF). PI – Anne R. Cappalo, MD, ScM, Professor of Medicine, Division of Endocrinology, Diabetes, and Metabolism, Perelman School of Medicine, University of Pennsylvania

- 2019-present • NIMH-funded RCT titled “Shifting Perspectives: Enhancing Outcomes in Anorexia Nervosa with CRT” PI – C. Alix Timko, Assistant Professor of Psychology in Psychiatry, Perelman School of Medicine, University of Pennsylvania

Grant Reviewing:

Ad hoc Reviewer

- 2020 • Michigan Nutrition Obesity Research Center Program
2015 • California Breast Cancer Research Program

Study Section Member

- 2018 • California Breast Cancer Research Program

University level service

Villanova University

- 2019-2021 • Member, COPE (Center for Obesity Prevention Education) Advisory Board

Drexel University

- 2017–2019 • Member, Undoing Racism® Group, 11th St Family Health Services Center
2014–2019 • Member, Social Science Research Initiative Committee
2012–2013 • Evaluator of student reflection essays on experiences in co-operative study
2012–2013 • Member, Senate Committee for Academic Affairs
2012-2013 • Member, Undergraduate Subcommittee for SCAA
2012 • Expert Reviewer of an eating disorders continuing education online course module for student completing a Masters’ of Public Health, School of Public Health, Drexel University, Philadelphia, PA

College/Department level service:

College of Psychology, Nova Southeastern University

- 2022-present • Member, Research Committee

Fitzpatrick College of Nursing, Villanova:

- 2020-2021 • Member, Faculty Development Committee
2020-2021 • Member, Inclusive Excellence Committee
2020-2021 • Member, Health and Human Values Continuing Education Series Planning Committee
2019-2021 • Member, Research Advisory Committee
2019-2021 • Member, Strategic Planning Committee – Research

Dornsife School of Public Health, Department of Epidemiology and Biostatistics, Drexel:

- 2017–2019 • Member, Inclusion and Diversity Task force/Working Group

College of Nursing and Health Professions, Department of Health Sciences, Drexel:

- 2016–2017 • Faculty Mentor, Josiah Macy Undergraduate Leadership Fellows Program (training program for healthcare professionals based in an equity and *social justice lens*)
- 2016–2017 • Appointed advisor to faculty on issues of Diversity, Equity, and Inclusion
- 2015–2016 • Member, Faculty Search Committee
- 2014–2017 • Chair, 4-year Co-op Student Advising Committee
- 2012–2017 • Chair, Clinical Research and Statistics Curriculum Committee
- 2013–2014 • Appointed member of Self-Study Team, *Program Alignment Review*
- 2010–2015 • Faculty Ambassador for Annual Drexel University Accepted Students Days
- 2010–2016 • Faculty Ambassador for Drexel University Open House Events
- 2011–2012 • Member, Faculty Search Committee

Department of Preventive Medicine and Community Health, SUNY Downstate:

- 2005–2007 • Student Outcomes Committee, Master of Public Health Program

Other Professional Service & Committees:

- 2017-2018 • *Promotion Dossier External Reviewer, Stephen Samindinger, PhD, Department of Health Sciences College of Nursing and Health Professions, Drexel University, PA*
- 2014-2015 • *Tenure & Promotion Dossier External Reviewer, Sharon DeJoy, PhD, Department of Health, College of Health Sciences, West Chester University, PA*
- 2008–2009 • Chair, Research Advisory Committee, The Reading Hospital and Medical Center, Reading, PA
- 2008–2009 • Institutional Review Board, The Reading Hospital and Medical Center
- 2008–2009 • Certified Practicum Advisor, Master of Arts Program in Community Counseling, Alvernia University
- 1999–2002 • PhD Program Admissions Committee, Student Representative, Department of Psychology, The Graduate Center, CUNY
- 1999–2001 • Executive Committee, Student Representative, Department of Psychology, The Graduate Center, CUNY

Media Articles/Interviews/Appearances (selected & recent)

- 2021 • Interviewed by Sandy Bauers for *The Philadelphia Inquirer*. The ‘war on obesity’ has backfired, and scientists know why. <https://tinyurl.com/36c5rbs2>

- 2021 • Interviewed by Anna Myers for *Self Magazine* article on the reasons why enjoying our physical activity routine is so important. <https://www.self.com/story/benefits-of-10-minute-workouts>
- 2020 • Interviewed by Bethany Ao for *Philadelphia Inquirer* article on how COVID-19 has affected body image in young people. <https://tinyurl.com/yxwv7wx2>
- 2020 • Interviewed by Simone Scully for *Healthline* article on challenging fatphobia as a parent. <https://tinyurl.com/y559rtq3>
- 2020 • Authored essay entitled *Recognizing Institutionalized Weight Bias* published in the 2020 Eating Disorder Gurze-Salucore Resource Catalogue <https://tinyurl.com/t7ptcpf>
- 2019 • Interviewed by Virginia Sole-Smith for the development of Medium.com article surrounding weight stigma in the field of eating disorders. <https://tinyurl.com/v3qaogx>
- 2019 • Interviewed by Kat Tenberg, Breaking News Fellow, Business Insider, for the development of an article discussing consequences of YouTube sensationalizing eating disorders with the viral documentary over Eugenia Cooney’s comeback. <https://tinyurl.com/v3qaogx>
- 2018 • Interviewed by Michael Hobbes for the development of Huffington Post article “Everything You Know About Obesity is Wrong” <https://tinyurl.com/y844xny3>
- 2018 • Interviewed by Rebecca Scritchfield for the development of Washington Post article “What if physicians stopped weighing heavier patients? Healthcare might improve” <https://tinyurl.com/y6fs5my8>
- 2018 • Interviewed by Kristen Fischer for the development of www.sheknows.com article “What to do if you are putting off a doctor visit because of weight”
- 2018 • Interviewed by Richard Scott for article in CareDash (an online health and wellness news source) “Hight Weight Women More Likely to Avoid Doctors” <https://tinyurl.com/y2axx4rt>.
- 2018 • Interviewed by Frank Otto for article in DrexelNow “Bias and Discrimination Keep Women with Higher Body Weights Away from the Doctor – Drexel Study” <https://tinyurl.com/y5nmo2bh>

PROFESSIONAL DEVELOPMENT/CONTINUING EDUCATION ACTIVITIES (selected)

- May 2021 • *Applied Measurement Modeling*, 5-day certified virtual course, Instructors: Patrick Curran & Greg Hancock, Curran & Bauer Analytics/CenterStat,
- May 2021 • *Intro to Structural Equation Modeling*, 3-day certified virtual course, Instructors: Patrick Curran & Daniel Bauer, Curran & Bauer Analytics/CenterStat,

- March 2021 • *Biofeedback Training for Mental health and Medical Professionals*, 5-day certified virtual workshop in partial fulfillment of training requirements towards certification through the Biofeedback Certification International Alliance (BCIA)
- Fall 2020 • *Writing Intensive Proposal Development Seminar*, semester-long interdisciplinary workshop, Sponsored by the Villanova Institute for Research and Scholarship, Villanova University
- January 2020 • *How to Use Writing Groups to Advance Your Research Productivity*, full day academic writing workshop, Sponsored by the Villanova Institute for Research and Scholarship, Villanova University
- December 2019 • *Reporting and Critiquing RCTs in Cardiology from a Statistical Perspective*, Instructor: Stuart Pocock, half-day short-course, Cardiovascular Clinical Trials Recent Statistical Advances Masterclass, French Embassy, Washington DC
- February 2019 • *Structural Equation and Multilevel Modeling approaches to Examining Change Over Time*. Half-day short course, Instructor: Kevin Grimm, American Statistical Association's Conference on Statistical Practice, New Orleans, LA
- November 2018 • *The Embodied Practitioner*, 3-day retreat-based training in using the Body Trust® approach to aid people dealing with a disconnected relationship with eating and their body. Kripalu Center for Yoga and Health, Stockbridge, MA
- October 2018 • *LGBTQ+ Ally Training*, Workshop for Faculty and Staff Sponsored by Drexel University Office of Equality and Diversity
- June 2018 • *Multilevel Modeling of Non-Normal Data*, 3-day short course, Instructor: Donald Hedeker, Statistical Horizons, Philadelphia, PA
- March 2018 • *ColorBrave Campus Dialogues*, Workshop for Faculty to aid with the discomfort of addressing issues of race and culture, Sponsored by Drexel University Office of Faculty Affairs and Office of Equality and Diversity
- Oct. 2017 • *Writing Effective Mixed Methods/Multi-Methods Grant Proposals*, (Attended and Co-organized), Sponsored by the Drexel University Office of Research and Social Science Research Committee
- Feb. 2016-2018 • *Annual Anti-Oppression and Intersectionality Training*, online half-day workshop, sponsored by the Association for Size Diversity and Health
- September 2016 • *Changing Patterns of Oppression: Ways to be an Ally to Diverse Communities*. Penn Alumni Education Webinar by Professor Marybeth Gasman
- January 2015 • *Diversity/Anti-Oppression Training*, online two-day workshop, for Board members of the Association for Size Diversity and Health to promote greater organizational inclusion among members
- December 2014 • *NIH Grant Writing Workshop*, full day training sponsored by the Office of Research, Drexel University, Philadelphia, PA
- April 2012 • NIH sponsored workshop on *Binge Eating Disorder: The Next Generation of Research*, Uniformed Services University, Bethesda, MD

- December 2008 • 64th Annual Deming Conference on Applied Statistics, completed courses on *Mixed Models for Clustered Data* and *Statistical Meta-Analysis with Applications*, Atlantic City, NJ
- October 2007 • *Grant Writing Teaching Day* at the 13th Annual Eating Disorders Research Society Meeting, Pittsburgh, PA
- March 2006 • National Heart, Lung, and Blood Institute, *Cardiovascular Epidemiology, Biostatistics and Behavioral Medicine Training Workshop*, Phoenix, AZ
- July 2004 • *SAS Programming I: Essentials*, Certified by the SAS Institute Inc., Wayne, PA
- January 2004 • *Introduction to Structural Equation Modeling*, Certified attendee of two-day short course (Instructor: Greg Hancock), University of Maryland Department of Measurement, Statistics, and Evaluation, College Park, MD
- February 2004 • *Applications of Structural Equation Modeling in Social Science Research*, Certified workshop attendee, Association for Women in Psychology and Penn Center for Continuing Education, Philadelphia, PA

Current Professional Memberships

- 2021–present • Association for Applied Psychophysiology and Biofeedback
- 1999–present • Fellow, Academy for Eating Disorders (elected as Fellow in 2019)
- 2007–present • Eating Disorders Research Society (elected membership)

Past Professional Memberships (select)

- 1999–2008 • Member, American Psychological Association (Divisions 5, 9, 35 & 38)
- 2008–2019 • Member, Association for Size Diversity and Health (previous Board Member)
- 2001–2005 • Member, American Statistical Association
- 2006–2015 • Member, American Public Health Association
