WORK EXPERIENCE

- 08/22-Present **Associate Professor, Director of the Healthy Lifestyles Guided Self-Change Clinic (HLGSC).** Nova Southeastern University, College of Psychology, Fort Lauderdale, FL
Teach doctoral level courses for students enrolled in the PsyD and PhD Clinical Psychology program. Direct and oversee the HLGSC clinic providing evidenced-based motivational interventions for clients seeking treatment for problematic substance use and other behavioral concerns. Provide supervision and training of practicum students in the HLGSC. Course Lead for PSY4499- Advanced

Professional Development. Member of the Clinical Training Committee and Admissions Committee.

- 09/17-06/22 **Chief Psychologist, Director of Behavioral Health**
Goodman Jewish Family Services of Broward. Davie, FL
Responsibilities: Oversee daily operations and clinical services provided within the behavioral health program at two satellite locations. Lead team of clinicians providing trauma-informed services to individuals directly impacted by the school shooting at Marjory Stoneman Douglas High School. Develop community relationships to promote patient-centered, trauma-informed care for clients throughout Broward County. Develop and implement clinical training for staff and doctoral student trainees. Provide clinical services to clients presenting with a variety of behavioral health concerns including trauma, substance use disorders, mood, anxiety, and adjustment difficulties. Oversight of the domestic abuse program and vocational social skills training program for neurodiverse adults. Member of the senior leadership team. Co-Chair of the Performance Improvement Committee preparing the organization to apply for CARF accreditation. Manage grants and contracts for behavioral health programming.
- 02/17-8/17 **Licensed Clinical Psychologist, Private Practice**
Comprehensive Assessment Center, Miami Lakes, FL
Responsibilities: Provided individual, group and couples therapy in both Spanish and English for clients with mental health concerns in a private practice setting. Conducted evidenced-based, motivational interventions for individuals co-occurring substance use problems. Psychological evaluations also provided for individuals applying for immigration waivers.
- 09/12-12/16 **Assistant Professor**
Carlos Albizu University, Doctoral Program, Doral, FL
Responsibilities: Teach doctoral level psychology courses including: *Compulsive and Addictive Behaviors, Psychopathology, Case Conceptualization, Group Psychotherapy, and Social Psychology*. Supervise student doctoral projects, provide academic advising and participate in doctoral qualifying examinations.
- 05/11- 06/12 **Senior Project Specialist**
Area Health Education Centers (AHEC), Nova Southeastern University's College of Osteopathic Medicine (COM), Ft. Lauderdale, FL
Responsibilities: Assisted in the coordination of training and cessation services for NSU AHEC programs throughout 19 counties in South Florida. Provided trainings for health care practitioners in the use of strategies to facilitate discussing smoking cessation with patients. Aided in the development of a seamless curriculum for medical students in the COM incorporating the assessment, treatment and prevention of tobacco related health concerns.
- 07/10- 02/11 **Clinical Faculty, Instructor**
Yale University School of Medicine, Department of Psychiatry, Division of Substance Abuse, Substance Abuse Treatment Unit (SATU), New Haven, CT
Responsibilities: Developed training seminars for pre-doctoral interns, psychiatry residents, medical students, and staff. Developed a motivational enhancement group

for clients mandated to services by probation who were presenting with substance use challenges and were open to exploring benefits of changing. Supervised pre-doctoral psychology interns in group and individual treatment of clients with co-occurring disorders. Provided individual therapy to clients with co-occurring disorders including PTSD, substance use disorders, and mood disorders. Consultation services also provided at the University of New Haven's Student Counseling and Psychological Services center.

INTERNSHIP AND PRACTICA EXPERIENCE

07/09-06/10 **Postdoctoral Associate**

Yale University School of Medicine, Department of Psychiatry, Division of Substance Abuse, Substance Abuse Treatment Unit (SATU), New Haven, CT

Responsibilities: Individual therapy for clients with substance abuse and co-occurring disorders provided. Established a tobacco cessation group for clients receiving substance abuse treatment. Aided in the supervision of two pre-doctoral psychology fellows and two master's level interns.

07/08-06/09 **Pre-Doctoral Fellow**

Pre-Doctoral Internship, Yale University School of Medicine, Department of Psychiatry, New Haven, CT

Responsibilities: Individual, group and couples therapy provided for clients seeking services at the Substance Abuse Treatment Unit (SATU) and the Connecticut Mental Health Center (CMHC). At SATU, Co-facilitation of a Women's group and a monolingual Spanish-Speaking relapse prevention group. Individual therapy provided for clients with anxiety disorders including PTSD, personality disorders and other co-occurring disorders as part of Team C of the Connecticut Mental Health Center.

08/07-06/08 **Psychology Trainee**

Elective Practicum, Guided Self-Change (GSC) Program, Nova Southeastern University (NSU), Ft. Lauderdale, FL

Responsibilities: Brief, evidenced-based motivational treatment for clients with substance use (alcohol and illicit drug use) and lifestyle (gambling, eating, exercise) concerns provided. Aided in the supervision of incoming practicum students with individual, group and couples therapy.

Supervisors: Linda C. Sobell, ABPP & Mark B. Sobell, ABPP

08/06-08/07 **Psychology Trainee**

Student Counseling Center, NSU, Ft. Lauderdale, FL

Responsibilities: Provided brief treatment for undergraduate and graduate students. Individual and couples therapy provided. Presentations and workshops for students, student affair representatives and department directors were conducted to help increase awareness of student mental health concerns.

08/05-08/06 **Psychology Trainee**

Guided Self-Change Program (GSC), NSU, Ft. Lauderdale, FL

Responsibilities: Provided evidence-based motivational intervention and assessments for clients with substance abuse or other lifestyle concerns. Treatment

for smoking cessation and court referred DUI offenders offered. Individual, group, and couples therapy also provided.

Supervisors: Linda C. Sobell, ABPP & Mark B. Sobell, ABPP

ADDITIONAL TEACHING & SUPERVISION EXPERIENCE

08/19-Present Course Lead

Nova Southeastern University, College of Psychology, Ft. Lauderdale, FL 33314

Course: PSY 4499- Advanced Professional Development

Update the course manual, lectures, and Canvas Courses for all sections of this course to ensure the faculty teaching the sections and students are receiving the most up to date information regarding the application process for pre-doctoral internship.

Provide support to faculty teaching each section and act as liaison between faculty, students and the Clinical Training Director with respects to matters related to internship application.

08/17-07/22 Adjunct Professor

Nova Southeastern University, College of Psychology, Ft. Lauderdale, FL 33314

Course: PSY 4499- Advanced Professional Development, Multiple Sections

Provided doctoral level course instruction for clinical psychology students on preparing for the internship application process. Reviewed and provided feedback to students on drafts submitted of internship documents and provided opportunities for students to role-play and practice for internship interviews.

05/17-07/22 Intensive Supervisor

Nova Southeastern University, College of Psychology, Ft. Lauderdale, FL 33314

Responsibilities: Provided intensive supervision to doctoral psychology students enrolled in practicum to assist in developing students' skills in case conceptualization, differential diagnosis and treatment planning.

1/16-12/16 Adjunct Professor

Carlos Albizu University, PhD in Human Services Program and Masters in Mental Health Counseling Program, Doral, FL

Responsibilities: Teach Ethics Principles Applied to the Interventions with Individuals and Groups in Need to doctoral students enrolled in the PhD in Human Services Program as well as Advanced Abnormal Psychology and Substance Abuse Counseling to graduate students enrolled in the Masters in Mental Health Counseling Program.

2011-2012 Consultant

University of North Carolina, Department of Nutrition, Chapel Hill

Responsibilities: Reviewed and coded audio-taped counseling sessions to assess intervention fidelity using the Motivational Interviewing Treatment Integrity Code instrument. Provided feedback for supervision of the intervention counselors.

2010-2012 Motivational Interviewing Coach

Northrop Grumman CHOICES and CHOICES Plus projects, University of Texas, Austin, TX

Responsibilities: Provided telephonic coaching sessions for counselors involved in a multi-site CHOICES project to improve adherence and competence in the study protocol and use of Motivational Interviewing (MI). Audio-tape rating using a revised Motivational Interviewing Treatment Integrity Manual (MITI).

2010-2011 **Motivational Interviewing Supervisor**
Yale University School of Medicine and the New York State Quitline.
Responsibilities: Provided telephonic supervision sessions as part of a grant for coaches working as part of the New York Quitline to improve protocol adherence and competence in the use of Motivational Interviewing skills.

2010-2011 **Supervisor**
Yale University School of Medicine, Department of Psychiatry, Options in Psychotherapy Training
Responsibilities: Provided supervision of pre-doctoral interns who selected advanced training in Motivational Interviewing. Supervision of audio-taped sessions included tape review and rating using the Motivational Interviewing Adherence – Supervisory Tools for Enhancing Proficiency (MIA-STEP) system.
