Clinical Counseling Experience

Children's Home Society of Florida

Clinical Counselor and Headstart Mental Health Consultant

Provide individual counseling services in Duval county schools to children and adolescents struggling with behavioral, mental health, and substance abuse issues. Introduce *Trauma-Focused Cognitive Behavioral Therapy (TF-CBT)* with children and families in the foster care system. Assist families with successfully completing case plans directed by the Department of Children and Families (DCF). Mental Health Consultant for Headstart centers of Duval County, providing behavioral consulting services and working with teachers and center directors on classroom management.

Jacksonville, FL

2/2016 – 6/2018

The Key Center

Alexandria, VA

Resident Professional Counselor

2/2014 - 10/2015

Carried a caseload of approximately 10-20 clients in a private practice setting. Specialized in working with children, adolescents, and adults in a variety of clinical areas including *psychotic disorders, mood disorders, anxiety, trauma, adjustment and life transition*. Utilized person centered therapy while applying holistic, CBT, and play therapy techniques. Diagnosed psychopathology in accordance to the DSM-5 specified criteria and assess client needs by developing individualized treatment plans.

Psychiatric Rehabilitation Services, INC.

Alexandria, VA

Rehabilitation Services Coordinator II

1/2011 - 9/2013

Carried a case load of 21 adult clients diagnosed with *Schizophrenia spectrum, other psychotic disorders, personality disorders, autism spectrum disorders and disabilities*. Led daily psychoeducational and recovery groups focused on wellness, work-readiness and psychoeducation. Specialized in CBT interventions to manage pervasive symptoms. Chaired curriculum development committee dedicated to providing clinically appropriate groups; coordinated daily staff meetings to facilitate case conceptualizations; and served as liaison to empower consumers to participate in a agency decisions.

Gateway Community Services

Jacksonville, FL

Adolescent Outpatient Counselor

1/2010 - 12/2010

Provided individual inpatient and outpatient counseling services to adolescent clients in residential substance abuse community agency, group homes, and full service schools. Utilized CBT interventions and trauma focused therapy in individual and group counseling settings. Diagnosed and screened clients for substance abuse diagnoses at the State Attorney's Office and administered biopsychosocial and other assessments via face to face and phone contact. Selected after internship for paid position.

Substance Abuse Technician

8/2010 - 12/2010

Supervised adolescent clients in male and female residential substance dependence units. Monitored male clients during Alcoholics Anonymous (AA) groups in the community and oversaw all clients during recreational activities, group meetings, and meal times.

Leadership & Service

- American Counseling Association (ACA) 1/2014- Present
Mentor; Leadership Development Task Force
 Encourage leadership and diversity of mental health counselors among ACA and its divisions. Advocate for members to become effective leaders through events and conferences. Volunteer as mentor for master's level counseling students.
- Virginia Counselors Association (VCA) 1/2014- 10/2016
Professional Development Committee Co-Chair
 Interview counseling professionals regarding current counseling issues and share video interviews via social media. Manage a social media page and post relevant material to help spark interest in professional development among counselors in Virginia.
- American Counseling Association (ACA) 6/2014
ACA 2015 Conference Proposal Reviewer
 Qualified reviewer invited by department chair to review the ACA 2015 conference proposal submissions. Utilized rubric to score randomly assigned proposals for the ACA conference.
- Northern ACES 1/2014- 10/2015
NARACES Graduate Student Committee Member
 Advocate and enrich the experiences of graduate students in counselor education programs. Serve as a liaison between graduate students and the NARACES leadership.
- Chi Sigma Iota, Counseling Academic & Professional Honor Society International 10/2013- 6/2015
Professional Development Committee Chair
 Argosy University, Washington DC Sigma Phi Sigma chapter
 Coordinate and organize educational and professional workshops for doctoral counselor education and supervision students. Organize mentoring program for the academic enrichment of master's and doctoral counseling students.

Lesbian, Gay, Bisexual, Transgender, & Questioning (LGBTQ) Allies Network 6/2013- 6/2015
President, Argosy University, Washington DC
 Created first LGBTQ group at Argosy University, Washington DC to promote diversity. Create and organize on-campus events to promote awareness of LGBTQ issues in the counseling field.

National and International Research Projects

Research Assistant, Argosy University Washington DC 2013

Research Supervisor: Stephanie Dailey, EdD

Paraphilic Disorders

Independently wrote section on Paraphilic Disorders and Sleep-Related Disorders in ACA published book titled *DSM-5: Learning Companion for Counselors*. Recognized by authors for assisting with written material in Chapter 11.

Research Assistant, University of North Florida 2007

Research supervisors: Dan Richard, Ph.D. & Debbie Wang, Ph.D.

Cultural influences on conflict resolution: A study of eastern and western logics

Collected quantitative data by administering surveys in St. Augustine, Florida and Tokyo, Kyoto & Hiroshima, **Japan**. Completed research paper based on findings by comparing data results between Japan and United States. Poster presented at the *CICA-STR* Conference in Madrid, **Spain** (International Colloquium on Conflict and Aggression and Society for Terrorism Research) Sep, 2007

Research Assistant, University of North Florida 11/2004 - 5/2008

Research supervisor: Dominik Güss, Ph.D.

Wisdom and attitudes

Earned scholarship from the University of North Florida to independently collect quantitative research data in Brazil. Independently administered and coded 120 surveys to graduate students at the

University of Uberaba, **Brazil**. Translated surveys and informed consent documents from English to Portuguese for Portuguese-speaking students. Managed research lab and supervised research assistants when coding data. Organized, analyzed and interpreted quantitative data via SPSS.

The beetle

Earned scholarship for working on a National Science Foundation (NSF) funded project. Translated directions and computer simulations from English to Portuguese. Administered surveys and computer simulations to dyads for two school semesters. Coded 30 video-taped hours of problem-solving strategies of dyads working on the computer simulation.

Free association and word decisions

Set parameters for data analysis for the Excel program in a study focused on free associations and word decisions. Entered, reviewed, and checked data results for accuracy.

Differences in verbal versus written & individual versus group planning strategies

Earned scholarship for Supervised Research (NSF funded project). Oversaw all confidential surveys and equipment in research lab. Coded questionnaires of individuals and groups.

Research Assistant, University of North Florida

1/2006 – 12/2007

Research supervisor: Ma Teresa Tuason, Ph.D.

Hurricane Katrina: The culture of a disaster

Reviewed, analyzed and coded transcripts from Hurricane Katrina survivors. Audited consensual qualitative research methodology.

A refuge: After-school care for African American children in poverty. Early child development & care

Interviewed staff of an after-school program for at-risk youth via the phone. Transcribed interviews regarding generational poverty and at-risk youth. Received acknowledgement in peer-reviewed published article for assistance with research.

Research Assistant, University of North Florida

5/2006

Research supervisor: Linda Foley, Ph.D.

Culpability in rape: How the relationship between a victim and rapist affects juror decisions

Supervised and tape-recorded undergraduate students in lab during mock jury sessions. Entered quantitative data into SPSS program.

Research Assistant, University of North Florida

11/2005

Research supervisor: Rebecca Marcon, Ph.D.

Florida PERKS: Partners in education and research for kindergarten success

Received federal funding to conduct research study. Scored test responses and supervised up to 10 research assistants scoring test responses.
