CLINICAL EXPERIENCE

02/2022 – Present, Psychologist I, Court Services: *Office of Behavioral Health, Division of Forensic Services Denver, CO*

Responsibilities: Complete evaluations for competency, restoration of competency, and sanity/mental condition. Develop and deliver to courts, via expert testimony, professional opinion regarding the legal question of competency, restoration and in some instances sanity and mental condition. Attend annual and ongoing competency training to statutorily and Forensic Services. Present and provide feedback to peers during case presentations for continued growth and development and may be asked to submit evaluations for quality assurance and/or peer review.

01/2016-Present, President and CEO, Chad D. Waxman, Psy.D., Clinical Psychologist, PA, Highlands Ranch, CO

Responsibilities: Conduct comprehensive clinical and forensic assessments, as well as consult for criminal cases. Experience working on several cases involving Battered Women's Syndrome. Additionally, conduct disability assessments for a Veterans Administration Contractor which include a myriad of service connected psychiatric disorders including evaluations for trauma, eating disorders, mood disorders, and psychotic disorders. Also, conduct pre-employment and fitness for duty evaluations for a public safety firm (Psychological Dimensions). Respond to subpoenas and testify if needed.

05/2018 – 02/2022, Chief Psychologist, Psychological Dimensions, Greenwood Village, CO

Responsibilities: Provide pre- and post-offer suitability screening evaluations of candidates and fitness-for-duty/independent medical evaluations for employees of police, fire and other public safety organizations, in addition to private corporations. Provide clinical supervision to 12 contract psychologists and one post-doctoral psychologist. Engage in clinical services including critical incident debriefings, consultation to public safety employees for triage, and supervising a co-responder mental health program for a local sheriff's office. Engage in administrative duties including supervising a post-doctoral fellow, marketing the office services, and consult with public safety organization clients including police and public safety administrators. Responsible for the overall day to day operations of the office, engaging in daily problem-solving tasks.

01/2016-05/2018, Forensic Psychologist, RISE Program (Recovering Individuals Safely and Effectively), Correct Care Recovery Solutions, at the Arapahoe County Detention Center, Centennial, CO

Responsibilities: Conducted comprehensive reports including Psycho-diagnostic testing concerning

treatment for individuals in the competency restoration program. Served as the clinical lead in interdisciplinary rounds. Provided testimony regarding psychological evaluations when subpoenaed. Maintained a caseload, providing individual competency restoration treatment. Provided group therapy in a variety of competency related and psychological topics. Conducted monthly and as needed psychological evaluations for competency to determine readiness for a state competency evaluation. Headed up the Incentive Program Committee to implement and respond to issues involving the token based incentive program utilized with all patients.

Supervisor: Melanie Heto, Psy.D., before March 2017, Leah Wallerstein, Psy.D.

09/2014-11/2015, Psychologist I and Coordinator: STARS (Successful Thinking and Responsible Sexuality) and Outpatient Services, Dallas County Juvenile Department, Dallas, TX

Responsibilities: Provided comprehensive psychological services including psycho diagnostic assessments, evaluations, psychotherapy, crisis intervention and consultation to youth at the Main Detention Center. Consulted with staff and court members regarding the disposition planning and decision related to the wellbeing of the youth served. Administered and interpreted psychological testing (Objective and Projective) for the purposes of diagnosis and recommendations for intervention to guide court disposition and case management. Prepared written reports and provided direct clinical care to clients and families for outpatient care including individuals convicted of sexual offenses. Supervised psychological services provided by practicum students and master's level and postdoctoral staff including assessment cases and therapy. Reviewed all written reports for completeness and accuracy. Provided on-call emergency crisis intervention services on a rotating shift to all institutions within the juvenile justice system. Provided courtroom testimony as an expert witness.

Supervisors: Leilani Hinton, Ph.D. and John Pita Ph.D, LSOTP

08/2013-08/2014, Pre-Doctoral Psychology Intern, Federal Correctional Institution Fort Worth, Federal Bureau of Prisons, Fort Worth, TX. APA Approved Internship.

Internship Coordinator: Pamela Morris, Ph.D.

Responsibilities: General Rotation: Provided psychological services including screening and intake interviews for incoming inmates. Conducted Comprehensive psychological evaluations which involved the administration of a battery of intellectual and personality assessments. Responsible for treating mental health disorders through a variety of treatment modalities including crisis intervention, brief counseling, individual therapy, and group therapy. Engaged in consultation and training with other disciplines such as Unit Team and Health Services to address an inmate's behavioral and emotional adjustment, as well as mental health needs.

General Rotation Supervisor: Lisa Bellah, Ph.D.

Corrections Rotation: Evaluated the mental status of arriving inmates who are known to have a history of serious mental health problems. Consulted with other disciplines regarding the most appropriate housing and other management concerns. Screened assigned jail inmates to determine the need for further mental health evaluation and/or treatment including PREA (Prison Rape Elimination Act) related concerns and provided a diagnosis for mental health disorders and treatment through a variety of modalities. Conducted SHU (Special Housing Unit) Psychology Rounds to assess an inmate's mental health status. Provided numerous crisis interventions and brief counseling with jail, SHU, and incoming inmates to FCI Fort Worth.

Corrections Rotation Supervisor: Marti Carlson, Psy.D.

Forensic Rotation: Conducted a thorough and professional forensic psychological evaluation to assist the court in determining competency (if a person is able to stand trial), sanity (mental status at the time of the alleged offense), and treatment recommendations. Psychological evaluations utilized extensive interviews with all relevant parties including judges, lawyers, law enforcement officials, family members, and witnesses. Psychological evaluations also included a records review, and psychometric testing (intelligence, forensic testing instruments, cognitive, personality, and symptom questionnaires).

Forensic Rotation Supervisor: Randal Rattan, Ph.D., ABPP

Outplacement Rotation at FMC Carswell: Conducted Psychological and Psychosexual evaluations, screenings, and provided group treatment for the Female Sex Offender Management Program (SOMP). Provided trauma specific group treatment with compassionate care in mind, for females inmates with a variety of trauma histories including sexual and military related trauma.

Outplacement Supervisor: Laurie Cimperman, Ph.D.

03/2013-07/2013, *Counselor III*, Children's Home Society of Florida, Fort Lauderdale, FL.

Responsibilities: Provided in-home and on-site treatment of mental health and psychiatric disorders through a variety of modalities to children, adolescents and their families. Conducted intake psychological assessments with a comprehensive bio-psychosocial and psycho diagnostic assessments and created treatment plans.

Supervisor: Dorian Hutchings, M.S.

08/2010-07/2013, *Therapist and Psychological Assessor*, Gerena and Associates, Coral Springs, FL.

Responsibilities: Provided in-home and on-site psychological services to children, adolescents and their families who have been referred by the Florida State Attorney's Office, as well as the Child Protective Service of the Broward Sheriff's office, with an emphasis on sexually inappropriate behaviors. Treated mental health and psychiatric disorders through a variety of treatment modalities and created treatment plans. Completed forensic psychological evaluations of youths involved within the Department of Juvenile Justice, Department of Children and Families, and for parents involved with the Dependency System.

Supervisor: Juliana Gerena Psy.D., P.A.

10/2011-3/2013, *Group Therapist*, Smith Community Mental Health, Plantation, FL.

Responsibilities: Led psychological therapy groups for children and adolescents who have been removed from their school placement and have a psychiatric diagnosis. Developed group materials based on Cognitive-Behavioral interventions. Provided specialized alcohol and other drug abuse group services for a satellite program.

Supervisor: Jacqueline Garcia, M.S.W.

08/2011-08/2012: *Psychology Trainee*, Forensic Psychology Practicum. Nova Southeastern University, Fort Lauderdale, FL.

Responsibilities: Engaged in psychological evaluations of personality and risk at the Palm Beach Detention Center. Additionally, conducted brief treatment of psychiatric disorders to adults through a variety of treatment modalities. Served as the Palm Beach Detention Center Coordinator. Provided psycho-education group treatment for adolescent youth at the Broward County Juvenile Detention Center. Conducted psychological evaluation of intelligence, parental fitness, and personality with regard to custody and psychological functioning, referred by the Guardian Ad Litem Program and Legal Aid Program.

Supervisors: David Shapiro, Ph.D., ABPP, Ross Seligson, Ph.D., and Lenore Walker, Ed.D., ABPP

08/2010-08/2011: *Psychology Trainee*, Family Violence Program (FVP). Nova Southeastern University, Psychology Services Center, Fort Lauderdale, FL.

Responsibilities: Treated psychiatric disorders through a variety of modalities with adults who were both victims and perpetrators of violence. Provided psychological assessment utilizing objective personality measures for pre-and post-treatment. Common clinical presentations included: Substance use disorders, mood disorders, anxiety disorders, trauma related disorders (including PTSD), and personality disorders.

Supervisor: Vincent Van Hasselt, Ph.D.

10/2009-08/2010, *Therapeutic Behavioral On-site Counselor*, PsychSolutions, Youth and Family Centered Services Miami, FL.

Responsibilities: Provided therapeutic on-site counseling services to children, adolescents and their families in home and school settings. Counseling concerns include Axis I disorders including addictive disorders. Developed and implemented therapeutic interventions based on Cognitive Behavioral Therapy theory and Motivational Interviewing techniques. **Supervisor:** Debbie Mayor, M.S., LMHC

05/2009, *Alcohol and other Drug Screener*. Office of Alcohol and Other Drug Services. Harvard University. Cambridge, MA.

Responsibilities: Screened 30 Harvard students regarding their alcohol use using the Alcohol Use Disorders Identification Test (AUDIT).

Supervisor: Ryan Travia, M.Ed.

09/2006-06/2008, *Interviewer and Coordinator*. BASICS Program at the Massachusetts Institute of Technology "MIT," Medical (Brief Alcohol Screening and Intervention for College Students). Cambridge, MA.

Responsibilities: Coordinated the BASICS Program out of the Center for Health Promotion and Wellness at MIT Medical. Met with students for two standardized interview sessions, one hour each, to assess and give feedback about their addictive disorders. Theoretical orientations used: Motivational Interviewing, Stages of Change Theory, and Cognitive Behavioral Therapy.

Supervisors: Daniel Trujillo, Ph.D. and Adam Silk, M.D.

08/2004-05/2005, *Hotline Coordinator*. Middle Earth Peer Assistance Program. University at Albany, SUNY. Albany, NY.

Responsibilities: Provided on-call supervision for students on the undergraduate student-run crisis hotline. Co-taught two Educational Counseling and Psychology courses and assessed for competency in crisis intervention and general knowledge of psychological and social concepts for the crisis hotline and outreach components of the program to incoming students on the hotline. Supervised and instructed undergraduate peer crisis hotline resource trainers through a Counseling Psychology Course.

Supervisor: Delores Cimini, Ph.D.

09/2004-12/2004: *Psychology Trainee*, Guilderland High School. University at Albany, State University of New York. Albany, NY.

Responsibilities: Managed individual case loads of up to five students and led group counseling sessions on the college search process and how to manage associated stress.

Supervisor: Amy Knapp, M.S.ED., C.A.S.

09/2004-12/2004: *Psychology Trainee*, Albany High School. University at Albany, State University of New York. Albany, NY.

Responsibilities: Managed individual case loads of up to five students and led group counseling sessions on identifying potential careers.

Supervisor: Karen Moorby, M.S., C.A.S.

09/2003-05/2004, *Outreach Coordinator*. Middle Earth Peer Assistance Program. University at Albany, SUNY. Albany, NY.

Responsibilities: Provided on-call supervision for students on the undergraduate student-run crisis hotline. Co-taught two Educational Counseling and Psychology courses and assessed for competency in crisis intervention and general knowledge of psychological and social concepts for the crisis hotline and outreach components of the program. Developed crisis intervention techniques and outreach activity planning.

Supervisor: Delores Cimini, Ph.D.
