Ways to Ask a Librarian for help

In Person

Regular Reference Desk Hours

Monday-Saturday: 10 a.m. – 6 p.m.

Sunday: 11 a.m. – 7 p.m.

By Phone

Local: 954-262-4613

Toll Free: 1 (800) 541-6682 ext. 24613

Canada/Caribbean/Panama: 1 (800) 554-6682, ext. 24613

By Email: Refdesk@nova.edu

By Chat

Chat Service Hours (EST)

Monday – Thursday, Sunday: 10a.m. – 12a.m.

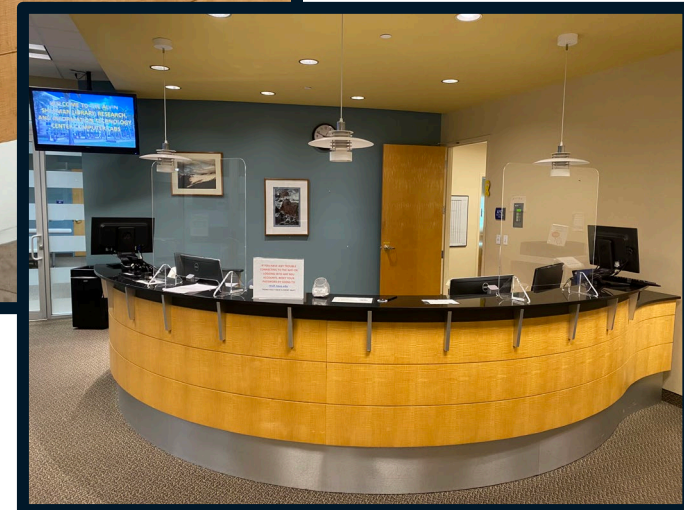

Friday & Saturday: 10a.m. – 6p.m.

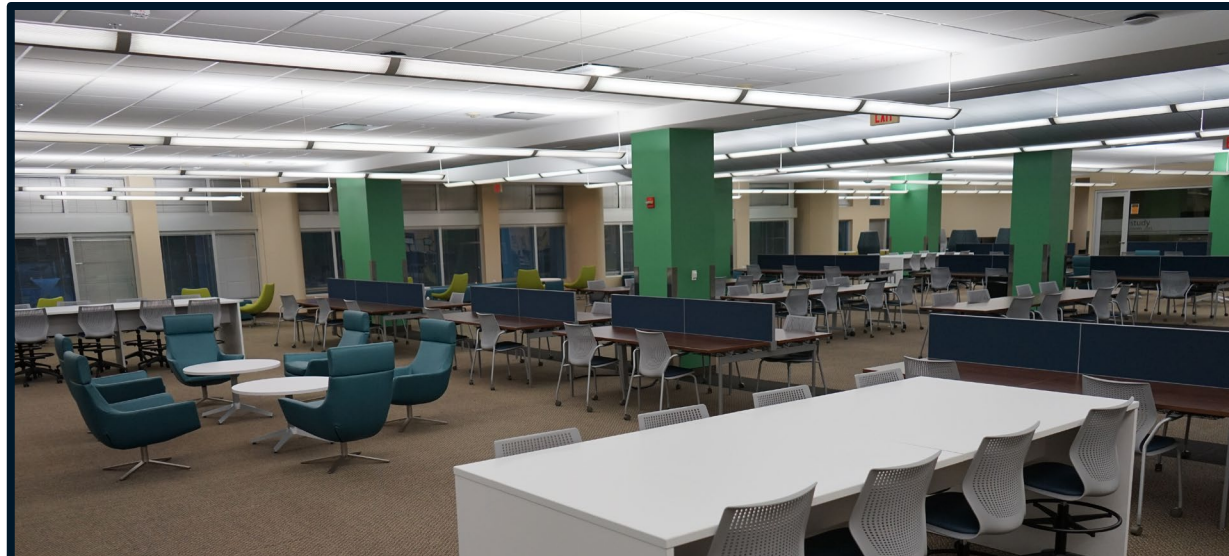

Please note that the Alvin Sherman Library participates in a statewide Ask a Librarian chat program – if an NSU librarian is not on duty your question may be answered by a librarian elsewhere in Florida.

Library Appointment Request

Please complete this form to request a one-on-one appointment with a librarian. On the form, provide your contact information, your research topic/assignment, and your availability. Once you submit this form, a librarian will email you to confirm an appointment time.

Contact Information

Name *

First

Last

Email *

Affiliation with Nova Southeastern University *

College *

How would you like to receive instruction? *

- ☐ In person at the Alvin Sherman Library
- ☐ By phone (while simultaneously online at a computer)
- ☐ Online only (using GoToTraining)

Instruction Request

What information are you looking for? Please select one instruction category. *

- ☐ General library orientation on how to find books, journal articles, dissertations, etc.
- ☐ How to find landmark studies or primary sources
- ☐ How to find tests and measurements
- ☐ Using citation resources (APA Style, MLA, etc.)
- ☐ Introduction to EndNote Software / EndNote Web
- ☐ Using Genealogy Resources
- ☐ Using Grants and Scholarship Resources
- ☐ Recursos En Español

What is your research topic? What are your assignment requirements (i.e. deadlines, types of sources needed, etc.)? *

Course / Professor

OUR HOMEPAGE

The screenshot shows the homepage of the Alvin Sherman Library at Nova Southeastern University. The header is dark blue with the NSU Florida logo on the left and the library name on the right. Below the header is a white navigation bar with a menu icon, links for 'Give!', 'Get a Library Card', a clock icon showing '7:30 am - 11:00 pm', and icons for 'Libraries', 'Search', and 'Account'. The main content area has a background image of bookshelves. On the left is a 'Shark Search' box with a search input field and links for 'Catalog Only', 'Full Text Finder', 'Google Scholar', 'Citation Help', and 'Feedback'. A large green arrow points down from the top of the search bar. On the right is a sidebar with 'Ask a Librarian' (with a speech bubble icon), 'Databases by Name', 'Databases by Subject', and 'Public Library Services'. Two green arrows point to the sidebar: one labeled 'Ask us' pointing to 'Ask a Librarian' and another labeled 'Databases' pointing to 'Databases by Name'. At the bottom is a large green rounded rectangle containing the URL <http://sherman.library.nova.edu/>.

46 results. (See in alphabetical order)

Top Picks

1. APA PsycInfo® (formerly PsycINFO) - ProQuest

Citations and abstracts to literature in psychology, the behavioral sciences, and other related disciplines. Includes psychological research and its applications. Contains material of relevance to psychologists and professionals in related fields such as psychiatry, management, business, education, social science, neuroscience, law, medicine, and social work.

2. PsycINFO (now APA PsycInfo®) - ProQuest

Citations and abstracts to literature in psychology, the behavioral sciences, and other related disciplines. Includes psychological research and its applications. Contains material of relevance to psychologists and professionals in related fields such as psychiatry, management, business, education, social science, neuroscience, law, medicine, and social work.

3. Oxford Clinical Psychology - Oxford University Press

Oxford Clinical Psychology provides full-text access to over 300 titles in Oxford's global clinical psychology. Covering a broad range of specialty areas, disorders, and treatment modalities, Oxford Clinical Psychology enables users to search and browse high-quality research and practice information contributed by a superlative group of experienced authors and editors. Content is extensively vetted, and regularly updated. This comprehensive library of both new and classic titles includes professional reference books, seminal scholarly and research works, and therapist guides and workbooks in the renowned [Treatments That Work series](#).

4. APA PsycArticles® (formerly PsycARTICLES) - ProQuest

Full-text articles from 77 peer-reviewed journals in general and specialized psychology from APA and other publishers. Most available from Vol. 1, Issue 1, starting in

LEARN

REFERENCE

WRITE

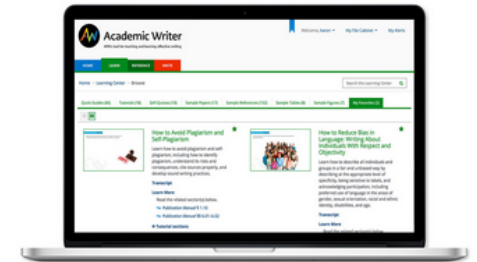

Welcome to Academic Writer

Academic Writer is APA's authoritative solution offering you a complete digital environment for teaching, learning, and writing academic papers.

LEARN: Use the Learning Center to find video quick guides and tutorials to help you get started and refine your research and writing.

REFERENCE: Use the Reference Center to find tools to assist you with building and managing a reference library.

WRITE: Use the Writing Center to select an APA Style paper template, collaborate with peers and reviewers, and check your work.

LEARN

Learn to write with grace and precision. Consult [quick guides](#), [tutorials](#), [self-quizzes](#), [sample papers](#), [sample references](#), [sample tables](#), and [sample figures](#) to master the art of scholarly writing.

REFERENCE

Manage your reference library and add new references. Create your own APA Style references with forms in the reference generator. Add existing references by importing files or searching more than 4 million preformatted references.

WRITE

Select one of our paper templates to begin writing. Use integrated research tools to plan your work. Enjoy the ease of comprehensive paper formatting and checking for common APA Style errors.

About EndNote

About EndNote

EndNote is reference management software with features to—

- Keep all your references and reference-related materials in a searchable personal library.
- Synchronize your references between up to three of your personal computers, an online library, and your iPad, through EndNote sync. (You must be the owner and user of all three computers.)
- Share your references with collaborators through EndNote sync.
- Use your references in word-processing documents to create formatted citations and bibliographies or independent reference lists.

- [Clarivate's EndNote 20 Guide](#)

Product details for the latest version of EndNote.

Accelerate your research.

Search hundreds of online resources for references
and PDFs.

Ensure your bibliography is accurate with refreshed
journal and referencing styles.
