

# Alvin Sherman Library, Research and Information Technology Center

*Fall 2024*

# SOME OF OUR TOOLS AND SERVICES

- Interlibrary loan and document delivery
- Reference Assistance
  - Desk, Phone, Chat,
  - Appointments
- Residential students:
  - Computer labs and computer areas
  - Printers, photocopiers, scanner
  - Study rooms & collaborative study area

## Ways to Ask a Librarian for help

### In Person

Regular Reference Desk Hours  
Monday-Saturday: 10 a.m. – 6 p.m.  
Sunday: 11 a.m. – 7 p.m.

### By Phone

Local: 954-262-4613  
Toll Free: 1 (800) 541-6682 ext. 24613  
Canada/Caribbean/Panama: 1 (800) 554-6682, ext. 24613

**By Email:** [Refdesk@nova.edu](mailto:Refdesk@nova.edu)

### By Chat

Chat Service Hours (EST)  
Monday – Thursday, Sunday: 10a.m. – 12a.m.  
Friday & Saturday: 10a.m. – 6p.m.

*Please note* that the Alvin Sherman Library participates in a statewide Ask a Librarian chat program – if an NSU librarian is not on duty your question may be answered by a librarian elsewhere in Florida.

# OUR HOMEPAGE

The screenshot shows the library homepage navigation menu. The 'Research' dropdown is highlighted with a red box. The menu items are as follows:

- Research ▾
  - > Catalog
  - > Shark Search
  - > Databases
  - > Full Text Finder
  - > Interlibrary Loan
    - > ILLiad Document Delivery
    - > Citation Tools / APA
    - > Digital Object Identifier (DOI)
- Services ▾
- Events ▾
- About ▾
- Help ▾

On the right side of the menu, there is a vertical button labeled 'Ask a Librarian'. Below the menu, there are two promotional banners: one for 'August 21' featuring a man in a suit, and another for 'August 25' featuring a book cover 'ADVERTISING NOW' by Jess Rodman and a woman's portrait.

# PSYCHOLOGY DATABASES

## Psychology & Behavioral Sciences databases for NSU patrons

46 results. (See in alphabetical order)

### Top Picks

**1. APA PsycInfo® (formerly PsycINFO) - ProQuest**

Citations and abstracts to literature in psychology, the behavioral sciences, and other related disciplines. Includes psychological research and its applications. Contains material of relevance to psychologists and professionals in related fields such as psychiatry, management, business, education, social science, neuroscience, law, medicine, and social work.

 ALL  NSU

**2. PsycINFO (now APA PsycInfo®) - ProQuest**

Citations and abstracts to literature in psychology, the behavioral sciences, and other related disciplines. Includes psychological research and its applications. Contains material of relevance to psychologists and professionals in related fields such as psychiatry, management, business, education, social science, neuroscience, law, medicine, and social work.

 ALL  NSU

**3. Oxford Clinical Psychology - Oxford University Press**

Oxford Clinical Psychology provides full-text access to over 300 titles in Oxford's global clinical psychology. Covering a broad range of specialty areas, disorders, and treatment modalities, Oxford Clinical Psychology enables users to search and browse high-quality research and practice information contributed by a superlative group of experienced authors and editors. Content is extensively vetted, and regularly updated. This comprehensive library of both new and classic titles includes professional reference books, seminal scholarly and research works, and therapist guides and workbooks in the renowned [Treatments That Work series](#).

 ALL  NSU

**4. APA PsycArticles® (formerly PsycARTICLES) - ProQuest**

Full-text articles from 77 peer-reviewed journals in general and specialized psychology from APA and other publishers. Most available from Vol. 1, Issue 1, starting in

## Library Appointment Request

Please complete this form to request a one-on-one appointment with a librarian. On the form, provide your contact information, your research topic/assignment, and your availability. Once you submit this form, a librarian will email you to confirm an appointment time.

### Contact Information

Name \*

First

Last

Email \*

Affiliation with Nova Southeastern University \*

College \*

How would you like to receive instruction? \*

- In person at the Alvin Sherman Library
- By phone (while simultaneously online at a computer)
- Online only (using GoToTraining)

### Instruction Request

What information are you looking for? Please select one instruction category. \*

- General library orientation on how to find books, journal articles, dissertations, etc.
- How to find landmark studies or primary sources
- How to find tests and measurements
- Using citation resources (APA Style, MLA, etc.)
- Introduction to EndNote Software / EndNote Web
- Using Genealogy Resources
- Using Grants and Scholarship Resources
- Recursos En Español

What is your research topic? What are your assignment requirements (i.e. deadlines, types of sources needed, etc.)? \*

**Academic Writer™**  
APA's tool for teaching and learning effective writing

Welcome ▾ My File Cabinet ▾ My Alerts

HOME LEARN REFERENCE WRITE

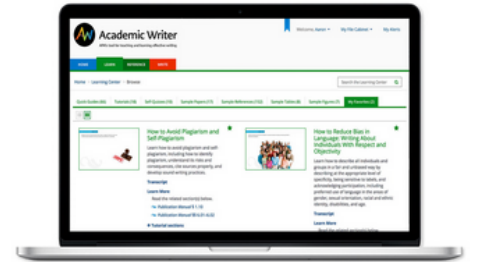

## Welcome to Academic Writer

Academic Writer is APA's authoritative solution offering you a complete digital environment for teaching, learning, and writing academic papers.

**LEARN:** Use the Learning Center to find video quick guides and tutorials to help you get started and refine your research and writing.

**REFERENCE:** Use the Reference Center to find tools to assist you with building and managing a reference library.

**WRITE:** Use the Writing Center to select an APA Style paper template, collaborate with peers and reviewers, and check your work.

### LEARN

Learn to write with grace and precision. Consult [quick guides](#), [tutorials](#), [self-quizzes](#), [sample papers](#), [sample references](#), [sample tables](#), and [sample figures](#) to master the art of scholarly writing.

### REFERENCE

Manage your reference library and add new references. Create your own APA Style references with forms in the reference generator. Add existing references by importing files or searching more than 4 million preformatted references.

### WRITE

Select one of our paper templates to begin writing. Use integrated research tools to plan your work. Enjoy the ease of comprehensive paper formatting and checking for common APA Style errors.
