Site Preference Information:

The following are important points related to all practicum assignments. When you submit this form you are indicating that you have read and understand these points.

Note:

- For all 1st and 2nd Year Practicum Students you must select 14 sites.
- For sites that include SUMMER starts, there is a symbol like this * in front of the site's listing. These sites may also include fall starts so please read over the practicum brochure.
- Some students have a Forced Practicum Site and will only have ONE site on the list.
- Please read over site-specific requirements (e.g., certain Non-NSU clinics may require that you work on holidays and days that NSU is closed; requires health insurance; paid parking; urine screening; training before the fall semester).

Instructions:

- Please review the Practicum Sites listed below;
- From the list, determine which are your top 14 in rank order;
- Click on the site you believe should be ranked #1 and drag it to the top of the list;
- Repeat the same process with the additional sites you rank;
- Once you have reordered the list to reflect your top 14, click on "submit form" which is found at the bottom of this form. If this is not showing, it is because you have not filled in all of items on the form.

Site Preference(s):

Instructions:

- Please review the Practicum Sites listed below;
- **From the list, determine which are your top 14 in rank order;**
- **Click on the site you believe should be ranked #1 and drag it to the right hand column that says selected sites;**
- Repeat the same process with the additional sites you rank;
- Once you have reordered the list to reflect your top 14, click on "submit form" which is found at the bottom of this form. If this is not showing, it is because you have not filled in all of items on the form.

Reminders

- ▶ **IT IS CRITICAL TO YOU READ AND MEET THE REQUIREMENTS FOR EACH SITE BEFORE SELECTING IT.**
- ▶ We review students' eligibility before assigning them. If you do not meet the requirements for a site we cannot assign you there and you have wasted 1 or more of your 14 site selections.
- ▶ Immediately after you submit your application, a copy will be sent to the Office of Clinical Training and **a copy will be sent to your NSU email address.**
- ▶ **Sometime in late Jan to early Feb we will notify students of their assigned practicum placements.**
 - ▶ **BROWSERS THAT CAN BE USED TO SUBMIT YOUR APPLICATION:** You can **only use Outlook, Chrome, or Firefox.** The Explorer browser cannot be used as it comes up with errors and will be rejected.
- ▶ **THE PORTAL IS CORRECT!** Do not be alarmed if some sites are not listed under a certain year.
- ▶ **Intensive Supervisors:** For 1st and 2nd year students not at a PSC faculty site, After sending out practicum assignments we will send out intensive supervisor assignments. Elective students can ask for an intensive supervisor, but it will cost 1 credit hour.

How Sites and Students Get Assigned

- ▶ By year
- ▶ By concentration
- ▶ Pre-interviews
- ▶ By need for a clinical rotation
- ▶ PSC faculty selections
- ▶ Having special skills (e.g., Masters, past experience in an area)
- ▶ Site requirements
- ▶ Number of students needed type, Spanish, male
- ▶ Do not contact outside non-PSC sites
- ▶ Social media postings

Maria Fimiani, Psy.D.
Linda Carter Sobell,
Ph.D., ABPP

CLINICAL TRAINING: PRACTICUM

The background of the slide is a solid dark blue. On the right side, there are several thin, white, parallel diagonal lines that extend from the top right towards the bottom left, creating a sense of movement and modern design.

PRACTICUM

- ▶ Both Clinical Psychology doctoral programs require students to successfully complete two 12-month practicum placements, during the second and third year of the curriculum.
 - ▶ Psychology Services Center
 - ▶ Outside Practicum Site
 - ▶ 2023-2024 Brochure:
https://psychology.nova.edu/common-pdf/students/practicum_brochure_23_24.pdf
 - ▶ 2022-2023 Practicum Handbook (updated each summer):
<https://psychology.nova.edu/common-pdf/students/practicum-handbook-2022-2023-final.pdf>
 - ▶ An elective practicum may be taken during the fourth year. Elective practicum placements are typically for 2 semesters or 8 months. They are assigned after all first and second year practica students have been assigned.
- ▶ Eligibility
 - ▶ Prerequisite courses
 - ▶ Core performance standards

CORE PERFORMANCE STANDARDS AND DISCLOSURES

- ▶ In addition to academic abilities and skills, students must possess **interpersonal, communication, behavioral, and personal attributes** that are considered integral and necessary parts of professional functioning (profession-wide competencies), including:
 - ▶ Professionalism – attendance, timeliness, dependability, demonstrating concern for well-being of clients. Self-awareness and reflection, professional attire, etc.
 - ▶ Communication and Interpersonal Skills - Respectful and positive interactions with others, professional oral and written communication, openness (non-defensive) to feedback from supervisors and others, etc.
 - ▶ Ethics – ensures client confidentiality, record-keeping, etc.
- ▶ Students who do not meet the minimum requirements will be advised and remediated as appropriate
- ▶ Disclosures – students must disclose any prior charges, arrests, convictions, etc. prior to beginning practicum and before applying for internship (contact Dr. Fimiani immediately)

CLINICAL TRAINING REQUIREMENTS

- ▶ Track all clinical training activities - Time2Track, PsyKey, personal Excel, etc. (starting in 2020, T2T linked with APPI-internship application)
- ▶ Pre-pandemic
 - ▶ First year practicum students (Clinical Practicum I, II and Summer) – Minimum average of 10 hours/week
 - ▶ Minimum average 5 face to face hours in direct service provision (e.g., assessment or intervention). 480 hours total.
 - ▶ Second year practicum students (Clinical Practicum III, IV and Summer) – Minimum average of 15 hours/week
 - ▶ Minimum average 7.5 face to face hours in direct service provision delivery (e.g., assessment or intervention). 720 hours total.
 - ▶ Elective practicum students – minimum average 10 hours/week
 - ▶ Minimum average 5 face-to-face hours in direct service provision (e.g., assessment or intervention). 480 hours total.
- ▶ Post-COVID-19 – APA, APPIC, and all training counsels recommend flexibility and focus on clinical competency instead of hours.
 - ▶ Tele-supervision
 - ▶ Telehealth - Florida Law requires telehealth providers to be in Florida to provide services to clients in Florida.

REGISTRATION: PRACTICUM AND INTENSIVE SUPERVISION

- ▶ During the second year of matriculation, students are required to enroll in a 3-credit hour course for each of 3 semesters. Concurrently with each practicum registration, students enroll for 1 credit of intensive supervision with a faculty member.
 - ▶ Fall: PSY 2701 Clinical Practicum I and PSY 2703 Intensive Supervision
 - ▶ Winter: PSY 2702 Clinical Practicum II and PSY 2704 Intensive Supervision
 - ▶ Summer Practicum PSY 270A and PSY 270B Intensive Supervision
- ▶ During the third year of matriculation, students are required to enroll in a 3-credit hour course for each of 3 semesters. Concurrently with each practicum registration, students enroll for 1 credit of intensive supervision with a faculty member.
 - ▶ Fall: PSY 3701 Clinical Practicum III and PSY 3703 Intensive Supervision
 - ▶ Winter: PSY 3702 Clinical Practicum IV and PSY 3704 Intensive Supervision
 - ▶ Summer Practicum PSY 370A and PSY 370B Intensive Supervision

The ONLY requirement that can take precedence over practicum hours is enrollment in a course

SUPERVISION

- ▶ Minimum hours of supervision:
 - ▶ 45 minutes/week of site supervision (clinical caseload)
 - ▶ 45 minutes/week of intensive (in-depth focus on a limited number of cases) or its equivalent in groups (e.g., if there are 6 students in a supervision group, the group will be 6 x 45 minutes or 4.5 hours in length). Optional for elective practicum.
 - ▶ Students who are in practicum placements directed by a COP faculty member (in the PSC) have as their supervisor the faculty member who heads the faculty clinic.
- ▶ Students assigned to PSC clinics directed by staff psychologists or to community placements are also assigned COP faculty members who serve as their intensive supervisors, and who provide intensive supervision.
- ▶ American Psychological Association requires that an appropriately credentialed (i.e., licensed psychologist) individual who is located at the site at least 20 hours/week provide all supervision.
- ▶ Direct observation - audio/video or live supervision
 - ▶ Students are required to obtain written consent prior to discussing or playing recorded sessions of clients in intensive supervision. Signed consent forms remain in the client's file at the practicum site.

EVALUATIONS

- ▶ Each semester all students will be evaluated and will receive:
 - ▶ A practicum grade
 - ▶ An intensive supervision grade (for students in PSC clinics directed by staff psychologists and those in community placements)
 - ▶ Students will be evaluated on nine (9) areas of profession-wide competency: research; ethical and legal standards; individual and cultural diversity; professional values, attitudes and behaviors; communication and interpersonal skills; assessment; intervention; supervision; and consultation and interprofessional/interdisciplinary skills
- ▶ Each semester students will complete anonymous (i.e., students are never identified in any data summaries provided to supervisors) evaluations:
 - ▶ Practicum Placement Evaluation form
 - ▶ Intensive Supervision Evaluation form, if applicable.
- ▶ Check with supervisors to make sure evaluations are completed on time to avoid prolonged "IP" or "PR" grades on transcripts

GRADING

- ▶ In order to receive a grade for a practicum, students must:
 - ▶ Satisfactorily demonstrate competencies as required by the practicum site
 - ▶ Complete all the practicum site requirements (e.g., paperwork, reports etc.)
 - ▶ Demonstrate satisfactory performance on the Practicum Training Evaluation form.
- ▶ Evaluations of the delineated competencies will be assigned according to the following system:
 - ▶ A = 93-100% Meets or Exceeds Expectations
 - ▶ A- = 90-92% Meets or Exceeds Expectations
 - ▶ B+ = 88-89% Meets Expectations
 - ▶ B = 83-87% Meets Expectations
 - ▶ B- = 80-82% Minimum Level of Achievement
 - ▶ C+ = 78-79% Does not meet Expectations
 - ▶ C = 73-77 % Does not meet Expectations
 - ▶ C- = 70-72% Does not meet Expectations
 - ▶ F = Below 70% Does not meet Expectations
- ▶ Remediation MUST have occurred prior to students earning ratings lower than B- on competency items of evaluation and/or an overall practicum eval grade lower than B-

EXTENSION OF PRACTICUM EXPERIENCE

- ▶ At times students may choose to extend a practicum placement, either to gain further experience with current clients or continue treating specific clients for training purposes.
- ▶ Students must obtain permission from the practicum supervisor and must submit a Practicum Extension Form to the Clinical Training Office prior to continuing the practicum placement beyond the required one-year period.
 - ▶ PSC Extension form:
https://psychology.nova.edu/common-pdf/studentresources/PSC_Extension_Form.pdf
 - ▶ External practicum site Extension Form:
https://psychology.nova.edu/common-pdf/studentresources/Non_Nova_Site_Extension_Form.pdf
- ▶ Must be registered in a course to be covered under liability insurance.

DUTIES AND RESPONSIBILITIES OF STUDENTS

- ▶ Perform appropriate job-related functions in the facility as directed by the on-site supervisor(s).
- ▶ Demonstrate competencies associated with the areas described in the Practicum Training Evaluation form.
- ▶ Read assigned materials or applicable literature in the knowledge base.
- ▶ Discuss with the site supervisor and/or the intensive supervisor any problems or issues that may arise at a practicum. If a problem arises at the site that cannot be resolved, the student should contact the DCT or Associate DCT to discuss this further.
- ▶ Continuously work to improve his or her performance in response to constructive feedback provided by supervisors.
- ▶ Complete the *Evaluation of Clinical Experience* form collected at the end of each semester.
- ▶ Abide by the ethical principles of the American Psychological Association (APA) and understand the State of Florida statutes for Licensed Psychologists (Title XXXII, Chapter 490). Likewise, as representatives of NSU, all students have an obligation to perform at the highest level of functioning and to demonstrate professional behavior as specified in this Statute, and the Clinical Psychology doctoral program handbooks at all times.
- ▶ Become familiar with and abide by all state and federal regulations governing the practice of psychology (e.g., abuse of disabled, elders, children; rules governing breaking confidentiality).
- ▶ Maintain confidentiality of client records and all relevant information.
- ▶ Spend the required amount of time in practicum activities and supervision.
- ▶ Audio or video record assessment, intervention or consultation sessions provided clients (or guardians) allow for such and with the proper informed consent. Students are never to coerce clients into signing consents for recording.
- ▶ Must have completed HIPAA training offered through COP prior to starting their first practicum as well as any other additional training required by practicum placements.
- ▶ Complete (in a timely manner) any background check, drug screen, physical readiness or other screening required PRIOR to beginning the placement and to take all necessary steps to have such screening steps completed.
 - ▶ *Respond to emails from Office of Clinical Training regarding on-boarding to avoid delays in starting practicum

PRACTICUM STUDENT PERFORMANCE DIFFICULTIES

- ▶ First, the on-site supervisor, faculty supervisor, or both will discuss the difficulties with the student, suggest changes (e.g., additional reading) or implement changes (e.g., providing for supervisor review additional audio recordings of practicum performance), and monitor and provide feedback on their impact.
- ▶ Second, if such steps do not lead to the warranted knowledge or skill improvement, the on-site and faculty supervisor will jointly develop a written performance improvement plan review it with the Director or Associate Director of Clinical Training and discuss and sign it with the student before implementation.
- ▶ Third, if the performance improvement plan does not result in the targeted change(s) during the period specified, the matter will be referred to the Director of Clinical Training. In consultation with the Clinical Training Committee, the Director of Clinical Training will meet with the student and his/her supervisors, identify the areas of continuing concern, and determine whether interruption of the clinical practicum sequence is warranted to facilitate more intensive remediation steps.
- ▶ At the scheduled conclusion of the remediation period, the student, the Director of Clinical Training, and the practicum supervisor(s) will meet again to review the student's performance on the behavioral indicators, and determine whether the student (1) can return to clinical practicum training, (2) needs to extend the remediation plan with or without modification(s), or (3) warrants referral to the Professional Standing Committee for a determination of his/her fitness to continue doctoral training.

A series of four parallel white diagonal lines in the bottom-left corner of the slide.

PRACTICUM ON-BOARDING

► May-June

- Update vaccinations
- Physical examination
- PSC - schedule background check & finger printing with COP HR as directed by Cavell
- Complete all on-boarding requirements no later than early-July to guarantee August start

Greetings student,

We are very excited that you will be doing a clinical rotation/internship at Memorial Healthcare System. Here is a list of items that are required in preparation for your clinicals at Memorial Healthcare System. Please be sure to have all this information readily available to upload to Complio one month before your rotation/internship begins. Your school's coordinator will provide more information about your start date and the on-boarding process. Please remember that you can always contact American Databank for any questions, concerns or technical assistance at Complio@americandatabank.com or 800.200.0853. See you soon!

2022 Mandatory MHS Students Requirements:

1. Immunizations

- MMR (2) or titers
- Tdap or Td Booster within the last 10 years
- Varicella or titers or documentation of disease
- Hep B (3) or titers (for healthcare worker only). MHS Hep B declination form will be accepted.

2. Health screening Upload 1 negative PPD, 1 negative QuantIFERON Gold, 1 negative T-SPOT test or 1 positive PPD AND a negative chest x-ray dated after the positive PPD. The student/faculty member will only have to do this once. However, a yearly TB signs and symptoms form will be required.

3. 8 panel drug test or higher

4. Background check

- Level 1 - Tri county (Broward, Miami Dade, Palm Beach) background check
- Level 1 - State/FDLE background check
- Level 1 - National background check
- Level 1 - Sexual Predator background check
- Level 1 - [OIG Sanctions & Exclusions Check](#)
- Level 1 - Employment verification – the last year
- Level 2 - Includes level 1 and fingerprinting (depending on the type of student)

5. Flu shot * - October 1, 2021 to March 31, 2022

6. BLS for Healthcare providers from AHA or the Red Cross only (if working in an area with patients)

7. COVID - 19 Guidelines and Attestation

8. Waiver of Liability

9. Hand Hygiene Competency – must be signed by student AND the school

10. Email Communication Guidelines

11. Full Covid-19 Vaccine *

- a. Pfizer or Moderna, 2-shots; Johnson & Johnson, 1-shot
- b. All additional doses received (boosters)

12. Covid-19 Vaccine Acknowledgement

*Medical/religious exemptions for flu or COVID-19 vaccines may be requested on behalf of the student by the school. MHS reserves the right to deny and exemption.

MHS will not accept exemption requests directly from students or their parents/caretakers.

Jan 2022

Greetings Students and Faculty

We are excited that you have chosen to participate in your clinical and practicum experiences at the facilities of Broward Health. In order to be compliant with the many regulatory agencies, the following listing are the requirements for participation with Broward Health. Completion of all requirements in Complio is necessary 1 month prior to the beginning of your practicum, clinical rotation or internship. Your program coordinator will provide you more information on the start date and the on boarding process. Please remember to you can always contact American Data Bank for any questions or technical assistance at

Complio@americandatabank.com or 800-200-0853. Best wishes for a productive experience at Broward Health. **The "one off" site for schools not contracted with any system is: <http://browardhealth.complio.com/>**
