

Curriculum Vitae

RYAN D. BENNETT

Date CV Prepared: May 7, 2024

CURRENT POSITION

09/23 – Present: Assistant Professor

Department of Clinical Psychology
Nova Southeastern University
3300 S. University Dr
Fort Lauderdale, FL 33328
(954) 262-5886
Rb1934@nova.edu

09/22 – Present: Assistant Director of Neuropsychology Assessment Center

Nova Southeastern University
3300 S. University Dr
Fort Lauderdale, FL 33328
(954) 262-5886
Rb1934@nova.edu

09/22 – Present: Team Neuropsychologist

Nova Southeastern University
3300 S. University Dr
Fort Lauderdale, FL 33328
(954) 262-5886
Rb1934@nova.edu

CURRENT LICENSURE

09/22 – Present: Florida PY-11602

EDUCATION

08/13 – 05/16: B.S., Psychology

Minor: Biology and Statistics
Florida State University, College of Arts and Sciences, Tallahassee, FL

08/16 – 12/19: M.S., Clinical Psychology

Nova Southeastern University, College of Psychology, Fort Lauderdale, FL

American Psychological Association – Accredited Program

08/16 – 05/21: Doctor of Psychology (Psy.D.), Clinical Psychology

Nova Southeastern University, College of Psychology, Fort Lauderdale, FL
American Psychological Association Accredited Program

Directed Study Title: Effects of diversity on neuropsychological testing in a retired NFL cohort

ADDITIONAL EDUCATION

09/19 – 12/19: Behavioral & Cognitive Neurology

National Academy of Neuropsychology
American Psychological Association Accredited

09/17 – 12/17: Clinical Neuroanatomy

National Academy of Neuropsychology
American Psychological Association Accredited

PROFESSIONAL AFFILIATIONS

- **2022 – Present:** APA Division 40 Clinical Neuropsychology
- **2022 – Present:** National Academy of Neuropsychology

CLINICAL TRAINING EXPERIENCE

8/16 – 5/19: Sports Medicine Clinic, Psychology Trainee

Nova Southeastern University, Psychology Services Center, Fort Lauderdale, FL

Responsibilities: Provided baseline ImPACT evaluations for Nova Southeastern University (NSU) athletes. Conducted biopsychosocial interviews and

comprehensive assessments with NSU athletes and high school athletes in Broward County suspected of a concussion or mild traumatic brain injury.

Interpreted results of assessments, developed return-to-play protocols specific to athlete's injuries, and integrated findings into a final report. Provided

psychoeducation regarding the effects of concussion, second impact syndrome, and chronic traumatic encephalopathy, and made recommendations to promote the

prevention of future concussions.

Supervisors: Charles Golden, Ph.D., ABPP/ABCN & Lisa Lashley, Psy.D

08/17 – 08/18: Family Violence Program, Psychology Trainee

Nova Southeastern University, Psychology Services Center, Fort Lauderdale, FL

Responsibilities: Conducted intake interviews consisting of a comprehensive clinical interview, mental status exam, and population-specific measures.

Provided individual outpatient psychotherapy that focused on a wide variety of common symptoms resulting from abuse, such as depression and anxiety, as well as anger-management training for perpetrators of domestic violence.

Supervisors: Vincent Van Hassel, Ph.D., Brandy Bang, Psy.D.

08/18 – 08/19: Neuropsychology Assessment Center, Psychology Trainee

Nova Southeastern University, Psychology Services Center, Fort Lauderdale, FL

Responsibilities: Attended training on proper administration and scoring of a variety of neuropsychological assessments ranging from general intellectual functioning, overall memory, achievement skills, executive functioning, attention and concentration, non-verbal abilities, visuospatial functioning, motor skills, and personality. Conducted thorough reviews of clients' psychological, medical, and school records prior to conducting pre-intake assessments. Interviewed and provided neuropsychological testing to a variety of clients including children and adults primarily experiencing problems including attention and concentration, emotional difficulties, learning disorders, and traumatic brain injuries.

Conceptualized results from neuropsychological tests and incorporated clients' complex psychological and medical histories to make the most appropriate diagnoses. Prepared for case presentations of results and relevant history during group supervision. Described findings and formulation of cases in integrated reports and provided feedback to clients.

Supervisors: Charles Golden, Ph.D., ABPP/ABCN & Lisa Lashley, Psy.D

8/19 – 06/20: Memorial Rehabilitation Institute, Psychology Trainee

Memorial Rehabilitation Institute, Hollywood, FL

Responsibilities: Assisted in conducting biopsychosocial diagnostic interviews, as well as administration, scoring, and interpretation of neuropsychological tests to assess the cognitive and emotional functioning of patients. Engaged in comprehensive report writing and assistance in the provision of feedback to patients. Inpatient experience included acute neuropsychological assessment and supportive therapy provided to patients following a traumatic brain injury, or cerebrovascular accident, as well as cases involving complex orthopedic and neurological rehabilitation. Attended didactics and cross-disciplinary training and patient consultations with physicians, physical therapists, occupational therapists, and speech therapists.

Supervisor: Casey Dawson, Ph.D. and Karina Vazquez, Ph.D.

7/20 – 07/21: Clinical Psychology Intern

Manchester Veterans Affairs Medical Center, Manchester, NH

Responsibilities: Offered clinical psychology services to Veterans in both assessment and intervention contexts. Attended weekly didactic and assessment seminars to enhance clinical skills. Conducted psychiatric diagnostic evaluations to assess cognitive, emotional, and behavioral functioning. Administered comprehensive neuropsychological batteries to assess neurocognitive disorders and neurodevelopmental disorders, and rule out differential diagnoses. Completed

comprehensive neuropsychological reports and intervention treatment plans to review with patients and the treatment team. Utilized an interdisciplinary approach to maximize patient care. Assisted with the creation and production of research projects.

Supervisor: Dr. Sherry Thrasher, Psy.D.

09/21 – 04/22: Clinical Psychology Post-Doctoral Fellow

Jackson Health System – Christine E. Lynn Rehabilitation Hospital

Responsibilities: Offered clinical psychology services as a part of a multidisciplinary team in an inpatient rehabilitation hospital setting. Inpatient experience included acute neuropsychological assessment and supportive therapy provided to patients following a traumatic brain injury, cerebrovascular accident, oncological diagnoses, spinal cord injury, amputation, burns, as well as cases involving complex orthopedic and neurological rehabilitation. Outpatient psychotherapy and comprehensive neuropsychological assessments were also included in the training to help ensure patient continuity of care post-inpatient discharge. Engaged in individual and group therapy services in both virtual and in-person settings. Attended weekly supervision, didactics, and diversity seminars. Attended grand rounds and specialty rounds that emphasized the rehabilitation process.

Supervisors: Dr. Mario Olavarria and Dr. Giselle Leal

04/22 – 08/22: Neuropsychology Post-Doctoral Resident

Nova Southeastern University, Psychology Services Center, Fort Lauderdale, FL

Responsibilities: Provide clinical neuropsychology services in both an outpatient psychology services center and a sports medicine clinic. Attend weekly supervision and didactics geared toward enhancing professional development in clinical neuropsychology. Provide supervision to pre-doctoral graduate students who are in the neuropsychology assessment center practicum at NSU.

Supervisors: Charles Golden, Ph.D., ABPP/ABCN

OTHER CLINICAL EXPERIENCE

2017 – 2018: Collegiate Baseline Testing, Psychology Trainee

Sports Medicine Clinic at Nova Southeastern University, Fort Lauderdale, FL

Responsibilities: Administered preseason baseline neurocognitive assessments including Immediate Post-concussion Assessment and Cognitive Testing (ImPACT), Sway balance test, and the King-Devick test to student-athletes at Nova Southeastern University

Supervisors: Lisa Lashley, Psy.D.

08/17 – 2020: Neuropsychology Graduate Assistant

Nova Southeastern University, Psychology Services Center, Fort Lauderdale, FL

Responsibilities: Administer Neuropsychological battery to retired NFL athletes and assess for level of cognitive impairment. Score all assessments administered.

Write full reports that encompass results and overall level of cognitive impairment.

Supervisors: Charles J. Golden, Ph.D., ABPP, ABCN & Lisa Lashley, Psy.D.

RELEVANT WORK EXPERIENCE

02/15 – 05/16: Emergency Room Scribe

Capital Regional Medical Center, Tallahassee, FL

Responsibilities: Engaged in friendly and professional interactions with pediatric, adult, and older adult patients in the Emergency Room. Assisted with and documented patient assessments and assisted with physical and psychological examinations.

Supervisor: Cristina Sanchez, MS

06/17 – 10/18: Fitness Coach for Project RISE associated with the Children’s Trust.

Nova Southeastern University, Ft. Lauderdale, FL

Responsibilities: Offered psychoeducation and physical education to students and teachers, to help maximize physical activity in after-school programs. Maintained relevant database materials and performed daily office tasks such as scheduling visits, calling site coordinators, and recording all fitness coach activity /schedules.

Supervisor: David Reitman, Ph.D. & Jean Thaw, Ph.D.

08/17 – 08/19: Student mentor

Nova Southeastern University, Ft. Lauderdale, FL

Responsibilities: Mentored incoming students to NSU’s Clinical Psychology program.

Supervisor: Ana Finns, Ph.D.

09/20 – 03/22: Statistical Research Analyst

Dartmouth Hitchcock Medical Center, Lebanon, NH

Responsibilities: Performed statistical and data analyses that support specific research activities within the department of internal medicine. Determined appropriate methods for analyzing and interpreting data. Reviewed, analyzed, coordinated, and revised statistical reporting for the department of internal medicine research projects. Assisted with the effective production of charts and/or illustrations to exhibit data and analyses.

Supervisor: Mary Turco, EdD., FSACME

RESEARCH EXPERIENCE

05/15 – 05/16: Undergraduate Research Assistant

Clinical Neuroscience Lab, Department of Psychology, Florida State University, Tallahassee, FL

Responsibilities: Conducted multi-session lab studies with participants; tasks

included preparing cap for EEG recordings and administering behavioral, self-report, and physiological assessments. Transcribed and coded interviews for indices of psychopathology. Participated in weekly discussions updating the research team with projects focused in clinical neuroscience: personality, psychopathology, impulse control, and anxiety and mood disorders from EEG recordings and fMRI research.

Supervisor: Christopher Patrick, Ph.D. (Principal Investigator)

10/14 – 05/16: Undergraduate Research Assistant

Cognitive Affective Neuroscience Lab, Department of Psychology, Florida State University, Tallahassee, FL

Responsibilities: Collected, processed, and analyzed functional magnetic resonance imaging (fMRI) data relating to human behavior patterns using MRICro and MATLAB software. Presented, summarized, and critiqued relevant articles at the weekly journal club. Managed research consent forms, participant observation, and debriefing.

Supervisor: Wen Li, Ph.D. (Principal Investigator)

10/17 – 05/20: Research Coordinator Neuropsychology Assessment Center

Nova Southeastern University, Fort Lauderdale, FL

Responsibilities: Organized and oversaw a research database containing de-identified results of neuropsychological assessments completed with NSU athletes and athletes in the South Florida community.

Supervisors: Charles Golden, Ph.D., ABPP/ABCN & Lisa Lashley, Psy.D

09/18 – 05/20: Graduate Research Assistant.

Dr. Kiran C. Patel College of Osteopathic Medicine. Fort Lauderdale, FL

Responsibilities: Participated in the design, execution, analysis, and evaluation of an AOA grant-funded study: “Effects of OMT on Return to Play Post Concussion”. Worked on and contributed to collaborative research teams; conducted quantitative data analysis and computations, created various reports based upon data results, and presented data at national conferences.

Supervisor: Lisa Lashley, Psy.D.

GRANTS

Current Research:

PI: Alessandra Posey, DO

Funding Organization: American Osteopathic Association

Amount Awarded: \$150,000

Period of Grant Award: April 2018 – November 2022

Title of Project: Effects of OMT on Return to Play Post Concussion

Role on Project: Co-Investigator

OFFICES AND SERVICES IN PROFESSIONAL ORGANIZATIONS

08/17 – 08/18: Director of Research for NSU Association of Neuropsychology and Students in Training

College of Psychology, Nova Southeastern University, Fort Lauderdale, FL

Responsibilities: Assisted students with conducting research and represented ANST at national conferences.

Supervisors: Charles Golden, Ph.D., ABPP/ABCN & Lisa Lashley, Psy.D

08/17 – 08/19: Director of Research for NSU Geriatric Research Club

College of Psychology, Nova Southeastern University, Fort Lauderdale, FL

Responsibilities: Assisted students with conducting research and represented the Geriatric Research Club at conferences.

Supervisor: Ashley Stripling, Ph.D.

08/18 – 08/19: President of NSU Association of Neuropsychology and Students in Training (ANST)

College of Psychology, Nova Southeastern University, Fort Lauderdale, FL

Responsibilities: Coordinated monthly meetings to discuss current research topics and student interest in the field of Neuropsychology. Coordinated and attended community events to advocate for mental health and the field of Neuropsychology.

Supervisors: Charles Golden, Ph.D., ABPP/ABCN & Lisa Lashley, Psy.D

TEACHING EXPERIENCE

01/19 – 05/19: Graduate Teaching Assistant

College of Psychology, Nova Southeastern University, Fort Lauderdale, FL

Course: 1807 Advanced Statistics

Responsibilities: Lead instruction on various topics, conducted review sessions

and conducted additional one-on-one tutoring to help facilitate understanding of course material. Evaluated students on assignments and exams. Aided and consulted for research projects including project design, methodology, statistical approach, and publication/presentation.

Instructor: Christian DeLucia, Ph.D.

08/22 – 12/22: Adjunct Professor

College of Psychology, Nova Southeastern University, Fort Lauderdale, FL

Course: PSY 1501 Intelligence Testing with Lab

08/22 – 12/22: Adjunct Professor

College of Psychology, Nova Southeastern University, Fort Lauderdale, FL

Course: PSY 2507 Objective Personality Assessment

08/22 – 12/22: Adjunct Professor

College of Psychology, Nova Southeastern University, Fort Lauderdale, FL

Course: PSY 2809 Research Design

01/23 – 05/23: Adjunct Professor

College of Psychology, Nova Southeastern University, Fort Lauderdale, FL

Course: PSY 1408 Child and Adolescent Psychopathology

01/23 – 05/23: Adjunct Professor

College of Psychology, Nova Southeastern University, Fort Lauderdale, FL

Course: PSY 4401 Clinical Neuropsychology

05/23 – 06/23: Adjunct Professor

College of Psychology, Nova Southeastern University, Fort Lauderdale, FL

Course: PSY 1416 Cognitive/Affective Aspects of Behavior

08/23 – 12/23: Assistant Professor

College of Psychology, Nova Southeastern University, Fort Lauderdale, FL

Course: PSY 1501 Intelligence Testing with Lab

08/23 – 12/23: Assistant Professor

College of Psychology, Nova Southeastern University, Fort Lauderdale, FL

Course: PSY 2507 Objective Personality Assessment

VOLUNTEER ACTIVITIES/COMMUNITY SERVICE

08/13-05/16: Best Buddies Organization

Responsibilities: Mentored and developed meaningful relationships with children and adults with intellectual disabilities and was the event coordinator for the organization. Developed, organized, and executed organization events to facilitate the development of peer-buddy relationships. Directed and presented at weekly

meetings to aid all members. Designed and executed marketing strategies to recruit new members. Offered psychoeducation and physical education to best buddies' members and staff to help them with exercising and maintaining a healthy lifestyle.

12/15: Golden Key Society

Responsibilities: Traveled to Peru with Florida State University's Golden Key Society to build greenhouses in rural communities. Due to the economic climate in Cuzco, Peru, these services allowed families to be more self-sufficient in providing for themselves and their community.

10/18: Alzheimer's Walk Fundraiser Alzheimer's Association

Responsibilities: Organized efforts to raise over \$1000 for research going toward the early diagnosis and treatment of Alzheimer's disease.

06/19: Camp TBI Brain Injury Association of Florida, Plantation, FL

Responsibilities: Assisted with the flow of activities. Guided TBI survivors and caregivers through check in and registration. Accompanied survivors with a range of disabilities through activities and mealtime. Facilitated a fun and supportive environment throughout the day to ensure that survivors and caregivers had a positive experience.

07/22: NSU AIM High Medical Immersion Camp

Responsibilities: Provided a lecture on neuropsychology and concussion management to high-school students who are aspiring healthcare professionals.
