PRACTICUM

The **Practicum Experience** portion of the program is completed at an approved agency or community placement. Students must follow all requirements and policies and procedures of the university and host agency.

Substance Abuse Counseling Practicum (48 credit - one semester): requires a minimum of 160 hours with 75 hours of direct client contact (approximately 11 hours per week; students will fulfill hours as required by their agency placement).

Substance Abuse Counseling and Education Practica (60 credit – three consecutive semesters): requires a minimum of 160 clock hours; 75 hours of which are direct client contact (approximately 11 hours per week each term; students fulfill hours as required by their agency placement).

Practicum placements are available throughout Florida and within the United States. The number of practica, placement sites, application procedures, start dates and other relevant information are specific to each site. Information about practicum and placements will be provided to students by the respective practicum coordinator prior to the start of this experience.

**Students entering practicum/internship training in any program may find it necessary to make special arrangements with their employer, including taking a leave of absence, to fulfill this requirement. Students will need to arrange their schedules to complete this requirement.*

Students will be required to meet all prerequisite requirements prior to beginning their practicum.
