State licensure or certification requirements can vary from state to state, depending on each State's laws and regulations. The State licensure entities are responsible for overseeing the educational and non-educational requirements for licensure or certification for their State.

We encourage all enrolled students and prospective students to contact their applicable State licensure entities to familiarize themselves with the specific professional licensure or certification requirements. For information on how to contact State licensure entities, please visit the U.S. Department of Education State Contacts webpage at: <https://www2.ed.gov/about/contacts/state/index.html?src=contact-us>

If you have trouble obtaining the information you need, or if you have any other questions regarding certification, please visit us at <https://psychology.nova.edu/about/certification.html> contact Suzanne O'Sullivan at osullivan@nova.edu or gradinfo@nova.edu | (954-262-5826) for assistance.
